Inorganic Chemistry For B.Sc Ist Year of Various University of Rajasthan

2022-07-01

i am pleased to introduce the english edition of inorganic chemistry for b s c part i students since long i had been asked to do so people even used to say me that i treat the english medium students as my step children thats why i am not thinking about them but due to one or the other thought in my mind the conditions and circumstances surrounding me did not allow me to do this but this time with the grace of god and blessings of maa saraswati i could do so and attempted to give this first english edition i hope teachers and students will appreciate my effort and give me full support and suggestions to improve it salient features of the book the book is strictly according to the syllabus the fundamental points have been made clear for the students diagrams are very clear labelled and in addition to the casual diagrams few imaginary diagrams also have been given to make the subject clear so many solved and unsolved numerical problems with answer have been given especially those numericals are given which have appeared in the examination papers of various universities in the end of every chapter important points to be remembered are given which will help the students to revise the chapter at a glance the quality of paper printing and binding of the book is excellent above all the language of the book is very simple so that even an average student can easily grasp it

Physical Chemistry For B.Sc Ist Year of Various University of Rajasthan

2022-07-01

it is matter of great pleasure for me to introduce this english edition of physical chemistry book for b sc first year students it was a great challenge for me to complete three books in one year but with the grace of god and good wishes of my students colleagues friends relatives and family members that i could complete this task the book is better than the other available books in the market mainly due to the following points the syllabii of all the universities of rajasthan have been obeyed word to word the matter given is sufficient neither any part of syllabii is left nor any extra matter is given untill and unless it is very essential in addition to the traditional diagrams few basic and imaginary diagrams also have been introduced to make the subject clear for biology students many calculations have been simplified so many important numericals are given as solved examples and for practice many numericals of similar kind are given under the heading solve yourself the most important feature of this book is its language the language is so simple that even very ordinary student can understand it easily remember and reproduce during writing of this book every moment there was an innocent student in our mind who has just left the school and entered the college who has to read so many books remember them and reproduce in the examination answer book so the whole matter is precise and simplified

Organic Chemistry For B.Sc Ist Year of Various University of Rajasthan

2022-07-01

it is a matter of pleasure for me to present this english edition of the book of organic chemistry for the students of b sc part i there had been demand for this book since long but due to one or the other reason i could not fulfil the demand of my dear english medium students now with the grace of god and good wishes and encouragements from my students and friends this task could be completed i hope my english medium students and teachers will like it salient features of the book it is strictly according to the syllabus neither any extra matter is given until and unless it is very essential nor any point has been left untouched in addition to the basic diagrams some imaginary diagrams are also included which make the matter easy to understand in the

end of every chapter few important points to be remembered are given which will help the student to revise the chapter at a glance this will also help the student to revise the whole book on the day of examination paper the most important is its simple language which will help the student to understand and remember a so called tough subject like chemistry every moment we have kept in mind that the book is for a student of ist year who has to read so many other subjects also so the matter given is concise and upto the mark which student can read understand remember and can efficiently solve the examination question paper to give excellent results
