The Aspiring Leader's Guide to the Future 2022-01-11

you may not hold a position of leadership or think of yourself as a leader but if you want to create change or impact the world around you even in a modest way then you're guided by a leader's impulse and shaped by a leader's principles you are an aspiring leader but the fact is that you've come to this role at a time when leadership like everything else is rapidly changing and too many leaders are addressing the problems of today and tomorrow with the style and substance of yesterday's leadership we need an update in the aspiring leader's guide to the future clay scroggins author of how to lead when you're not in charge explores nine new principles of leadership that will help leaders adapt to a changing world and work culture such as today's leaders lean into vulnerability today's leaders develop relationships primarily around trust today's leaders celebrate the successes of others these may seem like counter-intuitive principles but they provide a new way forward for leaders and teams and will prove versatile in the event of change and durable in the face of conflict with humor and a pastor's candor clay will show you why the old ways need updating and what developing new leadership skills could look like for your future to be clear the author of this book does not know the future if he did he would have used his talents on sports betting or stock trading what he does know is that yesterday's leadership axioms are today's myths and what that means the way forward requires an understanding of the past a conviction of what's at stake today and a vision for how different tomorrow will be you don't have to be a young entrepreneur with big dreams or someone looking to land a leadership role just to be considered an aspiring leader you are one now and by developing your skills for the future you can become today's version of a leader worth following

Influential Leadership 2014-08-03

this book is about action results and leadership using a simple new framework it will show you how to make the sort of progress in your work which your organization wants and needs at the same time this progress will give you the space to become a real leader a leader who is strong inspirational and able to drive the results your company needs while keeping your people on board one of the best ways to create the time you need to get results and get ahead is to become highly influential that way you don't have to do it all yourself influential leadership will show you practical ways to become more influential and create the time you need to be the most effective leader you can be

The Leader's Guide to Followers 2011-05

the leader's guide to followers is written from the unique perspective of a follower sharing with leaders how to lead their people well it offers insights as to why character is a prerequisite for effective leadership and why earning trust and respect creates influence a crucial aspect of leading people well a leader's motivations and agendas are examined to show which ones draw followers to a leader and which ones turn followers away from him throughout the book practical examples are given for leadership styles and perspectives

which build loyalty and energize followers to give their best efforts leading is compared and contrasted with controlling and the followers response to each is examined the book also includes an exploration of leadership as a strategy for individuals organizations and the country as a whole dean duvall is a native oregonian who has experienced great leadership under some excellent coaches teachers and employers throughout his life he has been involved in a wide range of organizations including mom and pop businesses international franchises non profits state government and fortune 500 companies his leadership experience is mainly in the computer business but includes some non traditional roles such as guiding week long mountaineering trips in british columbia and skipping sailboat trips from hawaii to seattle and san francisco he continues to encourage leaders to be their best by writing and speaking about what leaders can do to bring out the best in those they lead

The Executive and the Elephant 2010-07-06

lessons for leaders on resolving the ongoing struggle between instinct and the creative mind kings heads of government and corporate executives lead thousands of people and manage endless resources but may not have mastery over themselves often leaders know that right action is important but have little if any understanding of what prevents them from acting in accordance with their intentions in this important book leadership expert richard daft portrays this dilemma as a struggle between instinct elephant and intention the executive using the most current research on the intentional vs the habitual mind to explain how this phenomenon occurs based on current research and real life examples offers leaders a method for directing themselves more productively written by an expert in leadership organizational performance and change management through real life examples and recent studies in psychology management and eastern spirituality daft provides guidance to all of us who struggle finding our own balance and cultivating the behavior of others
