## **Baby Touch and Feel Quack! Quack!**

2008-08-01

dog lovers and neuroscientists should both read this important book dr temple grandin what is it like to be a dog a bat or a dolphin to find out neuroscientist and bestselling author gregory berns and his team did something nobody had ever attempted they trained dogs to go into an mri scanner completely awake so they could figure out what they think and feel and dogs were just the beginning in what it s like to be a dog berns takes us into the minds of wild animals sea lions who can learn to dance dolphins who can see with sound and even the now extinct tasmanian tiger berns s latest scientific breakthroughs prove definitively that animals have feelings very much like we do a revelation that forces us to reconsider how we think about and treat animals written with insight empathy and humor what it s like to be a dog is the new manifesto for animal liberation of the twenty first century

***How Do Animals Feel***

2024-04-20

how can we give animals the best life for them what does an animal need to be happy in her groundbreaking best selling book animals in translation temple grandin drew on her own experience with autism as well as her experience as an animal scientist to deliver extraordinary insights into how animals think act and feel now she builds on those insights to show us how to give our animals the best and happiest life on their terms not ours knowing what causes animals physical pain is usually easy but pinpointing emotional distress is much harder drawing on the latest research and her own work grandin identifies the core emotional needs of animals and then explains how to fulfill the specific needs of dogs and cats horses farm animals zoo animals and even wildlife whether it s how to make the healthiest environment for the dog you must leave alone most of the day how to keep pigs from being bored or how to know if the lion pacing in the zoo is miserable or just exercising grandin teaches us to challenge our assumptions about animal contentment and honor our bond with our fellow creatures animals make us human is the culmination of almost thirty years of research experimentation and experience this is essential reading for anyone who s ever owned cared for or simply cared about an animal
