Contested Space 2008

in august 2007 the month when malaysia celebrated 50 years of independence from colonial rule two historic cities on the straits of malacca were assessed for

inclusion on the unesco world heritage list this book explores the cultural social and physical history of one city and its multi ethnic population tracing its urban evolution

the cultures of its population and the reflection of their cultures in their architecture and urban forms it also investigates national and international influences including

those of heritage conservation bodies and examines their impact on cultural perceptions in order to unravel the identity reconstructions that have taken place over the

nation s first 50 years
