Microsoft Dynamics 365 Field Service **May 19 2024**

Microsoft Dynamics 365 Field Service is a cloud-based software solution that helps organizations manage their field service operations. It is part of the Microsoft Dynamics 365 suite of applications. The software is designed to be mobile-friendly and easy to use, allowing field service technicians to access and update customer information, schedule appointments, and track their work in real-time. It also provides a central hub for managing customer relationships and service requests.

salesforce field service Apr 18 2024

Field Service, formerly known as Field Service Lightning, gives you a powerful, highly customizable, mobile-friendly field service hub in Salesforce. Required editions are available in both Salesforce Classic and Lightning Experience. Not available in all orgs.
