relief of scott s first antarctic expedition based
mainly on unpublished sources a riveting account
about scott of antarctica and the machinations of
his demise of the food depots that were diminished
and the rescue that never came peter hillary
mountaineer and explorer for a long time it seemed
antarctica would remain the sole hold out in a
nearly fully explored world the approaches were
too difficult and dangerous and the material
benefits to the exploring nations were too few far
from being a land of plenty the antarctic
continent if it was that was no place for human
beings robert falcon scott s 1910 attempt to reach
the south pole is placed in jeopardy when edward
evans joins as his second in command a clash of
personalities between the two men almost prevents
the terra nova from sailing but they forge ahead
conscious of competing expeditions racing to the
pole on the treacherous journey across the
antarctic ice the differences between the
scientific minded scott and the ambitious evans
become insurmountable scott sends evans back early
making the final push without him only to find
they have been beaten by the norwegians when scott
and his remaining men make their desperate return
to base they re met with an inexplicable shortage
of supplies leading to the tragic deaths of the
entire party harrison christian draws on fresh
documents to examine the circumstances of scott s
death throwing suspicion on edward evans and other
officers terra nova delves into the lives of these
remarkable men revealing a story of betrayal that
was left out of the official narrative praise for
terra nova harrison christian has added another
chapter to the most celebrated antarctic story one
that compellingly hints at treachery amidst honour
