called the happy family the cage was always surrounded by a crowd of people curious to see such natural enemies so happy together nothing but the law of kindness could make all those creatures so civil and well behaved to each other but i must not forget my anecdotes of that respectable animal the cat you need not smile i mean to make you respect as well as love cats there are some men and many boys who say they are domestic tigers that they are sly that they steal that you cannot trust them that the cat heart is bad and that there is no harm in boys teasing them since it is no more than cats deserve that they were made for us to plague and that the only good thing they do is to catch rats and mice now if this were true and they were really ever so bad they ought never to be treated cruelly never teased and tormented none but the meanest boy will ever torment any animal he who created us created also the little fly that crawls upon the window pane i am not now thinking of those boys who do not remember or have never learned this truth but of those who have a cruel prejudice against cats of those who are kind to dogs and horses
