parents is welcomed for consideration in future updates and editions the publisher bloomsbury an activity based integrated course for lkg uk g and classes 1 to 5 has been designed and formulated in accordance with the guidelines of national education policy nep 2020 the series comprises a set of fourteen books two for each class and one per semester semester books for lkg and uk g include english mathematics and environmental science semester books for classes 1 and 2 include english mathematics environmental science and general knowledge semester books for classes 3 to 5 include english mathematics science social studies and general knowledge the series is strictly aligned with the basic tenets of nep 2020 thus a lot of emphasis has been laid on promoting activity based and experiential approach to learning the series also seeks to develop the core twenty first century skills in learners which lie at the heart of nep 2020 besides great care has been taken to make learning a joyful experience for the learners all this will together lay a strong foundation at the primary level and lead to the holistic development of the learners at each level some of the key features of the series are key concepts supported with visual activities games and real life examples carefully graded and comprehensive exercises to facilitate true evaluation online support in the form of animated lessons interactive exercises topic wise videos and e books for teachers only as per the requirement of the subject teachers resource book to facilitate teaching english the content for english is a perfect blend of the best of both worlds past and present the selections are based on the learners interests and therefore will not only easily arrest their attention but also facilitate longer retention the graded exercises lay appropriate emphasis on learning the four basic language skills of listening speaking reading and writing grammar section in each book offers simple and clear conceptual understanding mathematics the mathematical concepts have been dealt with in an interesting and comprehensive manner this way even an average child will have no difficulty in grasping the fundamentals the series follows a graded and spiral approach keeping in mind the age and level of understanding of the learner environmental studies nep 2020 lays emphasis on promoting the spirit of analysis and questioning because it has been increasingly felt that children learn more through talking observing and discussing with others this approach has been adopted in evs content science the content in this section emphasises meaningful learning of science for the overall development of learners it focuses on helping children understand their natural environment and correlate science with their everyday experiences in an interesting and comprehensive manner social studies a totally new and innovative approach to teaching social studies has been adopted in this section the lessons enhance the learners life skills and equip them with a high civic sense and arm them with an ability to face the challenges in life with confidence and as responsible citizens general knowledge the main objective of the general knowledge section is to create a sense of wonder in the learners and arouse in them a desire to learn and find out more about the world around them we look forward for feedback and constructive criticism from the students teachers and parents which will be given due consideration in the future reprints and editions of the books the publisher ebook term book lan004000 bisac lan000000 bisac soc000000 bisac sci000000 bisac mat000000 bisac purchase book of indian new literatures in english book in english language of b a 6th semester for all u p state universities common minimum syllabus as per nep published by thakur publication this book looks at the figure of the english teacher in indian classrooms and examines the practice and relevance of english and india s colonial legacy many decades after independence the book is an account of the varied experiences of teaching english in universities in different parts of the country it highlights the changes in curriculum and teaching practices and how the discipline lent itself to a study of culture historical contexts the fashioning of identities or reform over the years the volume presents the dramatic changes in the composition of the english classroom in terms of gender class caste and indigenous communities in recent decades as well as the shifts in teaching strategies and curriculum which the new diversity necessitated the essays in the collection also examine the distinctiveness of english practice in india through classroom accounts which explore themes like post coloniality feminism and human rights through the study of texts by shakespeare beckett doris lessing and poetry from the northeast this book will be of interest to academics researchers students and practitioners of english studies education colonial studies cultural studies and south asian studies as well as those concerned with the history of higher education and the establishment of disciplines and institutions buy latest idea of bharat major minor book in hindi language for b a 1st semester bihar state by thakur publication 1 number system and rapid methods of calculation 2 approximation 3 decimalisation 4 ratio 5 proportion 6 set theory 7 statistics meaning nature and limitations 8 collection of data 9 diagrammatic presentation of data 10 construction of frequency distribution term book this book examines the dynamic landscape of creative educations in asia exploring the intersection of post coloniality translation and creative educations in one of the world s most relevant testing grounds for stem versus steam educational debates several essays attend to one of today s most pressing issues in creative writing education and education generally the convergence of the former educational revolution of creative writing in the anglophone world with a defining aspect of the 21st century the shift from

monolingual to multilingual writers and learners the essays look at examples from across asia with specific experience from india singapore china hong kong the philippines and taiwan each of the 14 writer professor contributors has taught creative writing substantially in asia often creating and directing the first university creative writing programs there this book will be of interest to anyone following global trends within creative writing and those with an interest in education and multilingualism in asia a directory to the universities of the commonwealth and the handbook of their association this book a collection of essays on and reviews of the life and works of arun sarma contributes towards generating and sustaining academic engagement with the renowned litterateur of assam india on both national and global platforms it will push forth his legacy beyond the linguistic and geographical barriers of the indian state and develop a congenial environment for generating a new and active reading public a vibrant community of literary enthusiasts all over the world the book serves as an extension of the avowed goal of arun sarma as a playwright and novelist to rise above barriers of all kinds resulting in the production of a body of knowledge on theatre of assam the book will be of use to academics students and research scholars of english literature writings from north east india performance studies theatre studies india studies south asian cultures and cultural studies among others a delicately wet yet muscular and stiff object violated my mouth and played with my virgin tongue one moment it even tried to rape my throat but it couldn t i had gotten my life s first kiss ever my love had found acceptance by its lady the suppressed pent up emotions of twenty two years of lust and desire had instantly been melted into pure love we had bonded like air and fire yin and yang benevolence and malevolence white and black origin and oblivion engineering is aimless without cigarettes back papers and one night stands this is what aryan had thought in the very beginning an unresponsive love affair college politics and vice filled evenings make aryan frustrated and tired real tired then he meets zaps who soon becomes his best friend is zaps only his best friend or something more than that does the definition of life change a revelation about love life and friendship rediscover love relive your youth and enlighten yourself about your tryst with hell this book explores the problematic of reading and writing about third world women and their texts in an increasingly global context of production and reception the ten essays contained in this volume examine the reception both academic and popular of women writers from india bangladesh palestine egypt algeria ghana brazil bolivia guatemala iraq israel and australia the essays focus on what happens to these writers poetry fiction biography autobiography and even to the authors themselves as they move between the third and first worlds the essays raise general questions about the politics of reception and about the transnational character of cultural production and consumption this edition also provides analyses of the reception of specific texts and of their authors in their context of origin as well as the diverse locations in which they are read the essay participate in on going discussions about the politics of location about postcolonialism and its discontents and about the projects of feminism and multiculturalism in a global age one of the best books for 2023 cosmopolitan against a rising tide of fundamentalism in india a mother and daughter lose the most important man in their lives shashi fifty something and suddenly widowed tries to contact her only daughter tara to break the news but cannot reach her as shashi confronts her loss she finds amidst grief unexpected new freedoms meanwhile tara a spoiled but brilliant university student has retreated to dharamsala to deal with the fall out from an ill advised relationship her self imposed solitude makes contact near impossible so by the time she learns of her loss the funeral is already over without the man that bound them shashi and tara struggle to reconcile but his absence also makes them a target for an emerging religious group determined to put women in their place and shashi and tara individually prepare to defend their independence if mother and daughter are to come together they must find a way to understand both their new world and each other but can you ever emerge from an eclipse unscathed lyrical throughout yet so deceptively easygoing an extraordinary novel andré aciman powerful evocative and accomplished it s hard to believe the illuminated is a debut alice ryan gives voice to a new generation bbc radio 4
