for years enya ryan has endured a loveless marriage haunted by her ex s self absorbed behaviors and financial abuse upon finding him yet again in bed with another unsuspecting victim enya ventures off to the tiny town of hixon at her sister s insistence exhausted from disappointment she expects to ignore her woes with breezy days on the beach and quiet nights filled with book editing hixon island has other plans as does its local hero paramedic ayson ford when enya s ex happens upon her weekend nothing turns out breezy or quiet sometimes the unthinkable can ensue in a weekend in a weekend is a recount of all that can take place to the heartbroken in mere moments golden reminds us that life is fragile and we re shaped by the love we give not the love we expect that connection can begin so simply when years of trying could never have even touched it

Learn Massage in a Weekend

1992

encroaching work demands coupled with domestic chores overbooked schedules and the incessant pinging of our devices have taken a toll on what used to be our free time the weekend with no space to tune out and recharge every aspect of our lives is suffering our health is deteriorating our social networks the face to face kind are dissolving and our productivity is down the notion of working less and living more once considered an american virtue has given way to the belief that you must be on 24 7 award winning journalist katrina onstad pushes back against this all work no fun ethos tired of suffering from sunday night letdown she digs into the history positive psychology and cultural anthropology of the great missing weekend and how we can revive it onstad follows the trail of people companies and countries who are vigilantly protecting their time off for joy adventure and most important purpose filled with personal and professional inspiration the weekend effect is a thoughtful well researched argument to take back those precious 48 hours and ultimately to save ourselves

ricardo semler thinks that companies ought to put employee freedom and satisfaction ahead of corporate goals imagine a company where employees set their own hours where there are no offices no job titles no business plans where employees get to endorse or veto any new venture where kids are encouraged to run the halls and where the ceo lets other people make nearly all the decisions this company semco actually exists and despite a seeming recipe for chaos its revenues have grown from 35 million to 160 million in the last six years it has virtually no staff turnover and there are no signs that its growth will stop any time soon how did semco become wildly successful despite breaking many of the commonly accepted laws of business in the seven day weekend ricardo semler shows that for those willing to take a chance there is a better way to run a workplace he explains how the technology that was supposed to make life easier laptops cell phones e mail pagers has in fact stolen free time and destroyed the traditional nine to five workday but this can be a good thing if you have the freedom to get your job done on your own terms and to blend your work life and personal life with enthusiasm and creative energy smart bosses will eventually realize that you might be most productive if you work on sunday afternoon play golf on monday morning go to a movie on tuesday afternoon and watch your child play soccer on thursday this is a radical book that will challenge the business world to make the seven day weekend a reality

A Weekend Affair
