Business Marketing Management

2007

emerging trends are changing today's business marketing are you ready to compete business marketing management takes you inside the world of business marketing experts showing you what you need to know to be successful the textbook highlights the similarities between consumer goods and business to business marketing presents a managerial rather than a descriptive treatment of business marketing and reflects the growing body of literature and emerging trends in business marketing practice each chapter provides an overview key concepts and a summary to make it easy to review for tests

Business Marketing Management B2B

2016

business to business b2b markets are considerably more challenging than consumer markets and demand a more specific skillset from marketers b2b buyers often dealing with highly complex products have specialist product knowledge and are far more knowledgeable and demanding than the average consumer this textbook takes a uniquely international approach to this complex environment the result of an international team of authors and real life cases from across the globe this new edition has been fully revised with new and updated case studies from a variety of regions every chapter has been brought in line with current business to business research alongside new coverage of non profit and government marketing digital marketing ethics and corporate social responsibility other unique features include the placement of b2b in a strategic marketing context a full discussion of strategy in a global setting including hypercompetition a detailed review of global b2b services marketing trade shows and market research more selective shorter and easier to read than other b2b textbooks this is ideal for introductory b2b and intensive courses it is also comprehensive enough to cover all the aspects of b2b marketing management that any marketer needs whether they are students or practitioners seeking to improve their knowledge the textbook is also accompanied by an extensive collection of resources to aid tutors including a full set of powerpoint slides test bank of questions and practical exercises to aid student learning

Business to Business Marketing Management

2021-12-22

the second edition of this bestselling b2b marketing textbook offers the same accessible clarity of insight combined with updated and engaging examples each chapter contains a detailed case study to further engage the reader with the topics examined featuring updated case studies and a range of new examples incorporating additional coverage of b2b branding and the b2b strategic marketing process and issues of sustainability extended coverage of key account management online lecturer support including powerpoint slides and key web links drawing on their substantial experience of business to business marketing as practitioners researchers and educators the authors make this exciting and challenging area accessible to advanced undergraduate and to postgraduate students of marketing management and business studies praise for the second edition i found that the first edition of brennan canning and mcdowell s text was excellent for raising students awareness and understanding of the most important concepts and phenomena associated with b2b marketing the second edition should prove even more successful by using several new case studies and short snapshots to illustrate possible solutions to common b2b marketing dilemmas such as the design and delivery of business products and services the selection of promotional tools and alternative routes to market the new edition also deals clearly with complex issues such as inter firm relationships and networks e b2b logistics supply chain management and b2b branding michael saren professor of marketing university of leicester this textbook makes a unique contribution to business to business teaching not only does it provide up to date cases and issues for discussion that reach to the heart of business to business marketing it also brings in the latest academic debates and makes them both relevant and accessible to the readers a fantastic addition to any library or course dr judy zolkiewski senior lecturer in business to business marketing manchester business school the advantage of the approach taken by brennan and his colleagues is that this book manages to convey both the typical north american view of b2b marketing as the optimisation of a set of marketing mix variables and the more emergent european view of b2b marketing as being focused on the management of relationships between companies this updated second edition sees the addition of a number of snapshots in each chapter that bring the subject alive through the description of current examples as well as some more expansive end of chapter case studies it is truly a most welcome addition to the bookshelves of those students and faculty interested in this facet of marketing peter naudé

professor of marketing manchester business school the strength of this text lies in the interconnection of academic theory with real world examples special attention has been given to the role that relationships play within the business to business environment linking these to key concepts such as segmentation targeting and marketing communications which importantly encompasses the role personal selling as relationshipcommunications building and not just order taking with good coverage of international cultural differences this is a valuable resource for both students of marketing and sales andrew whalley lecturer in business to business marketing royal holloway university of london the text provides an authoritative up to date review of organisational strategy development and firmographic market segmentation it provides a comprehensive literature review and empiric examples through a range of relevant case studies the approach to strategy formulation ethics and corporate social responsibility are especially strong stuart challinor lecturer in marketing newcastle university this revised second edition offers an excellent contemporary view of business to business marketing refreshingly the text is packed with an eclectic mix of largely european case studies that make for extremely interesting reading it is a must read for any undergraduate or postgraduate marketing student dr jonathan wilson senior lecturer ashcroft international business school anglia ruskin university cambridge
