rescued from being a lost book this history s last manuscript lay deep within the vatican archives this classic historical text is now for the first time being published for the modern reader sulpicius severus is best known for his biography of st martin of tours and his sacred history also known as the chronicle sacred history is a brief history of the world from the beginning to his own time and in the latter portions focuses on the priscillianist heresy that disordered his home province of aquitain which is in modern day france as well as the arian controversy severus prefers a purely historical interpretation of the scriptures in reaction to the gnostic philosophy that entrenched his region that reduced the sacred history to mere allegory the sacred history is written in classic style such as what is found in tacitus and is intended to introduce lovers of history to the histories of the bible

Sacred History

2012-05-24

this volume provides the first geographically broad comparative survey of early modern sacred history or writing on the history of the christian church its leaders and saints and its institutional and doctrinal developments in the two centuries from c 1450 1650 with deep medieval roots ecclesiastical history was generally a conservative enterprise often serving to reinforce confessional national regional dynastic or local identities but writers of sacred history innovated in research methods and in techniques of scholarly production especially after the advent of print the demand for sacred history was particularly acute in the various movements for religious reform in both catholic and protestant traditions after the renaissance many writers sought to apply humanist critical principles to writing about the church but the sceptical thrust of humanist historiography threatened to undermine many ecclesiastical traditions and religious historians often had to wrestle with tensions between criticism and piety thirteen thematic chapters examine the influence of renaissance humanism religious reform and other political intellectual and social developments of these two centuries on the writing of ecclesiastical history in its various forms these diverse genres inherited from medieval culture included saints lives diocesan histories national chronicles and travel accounts early chapters examine catholic and protestant traditions of sacred historiography in western europe especially italy and switzerland subsequent chapters examine particular instances of sacred historiography in germany central europe spain england ireland france and portuguese india and developments in christian art historiography and holy land antiquarianism

The Sacred History of the World

1832

from the bestselling author of the secret history of the world an exploration of the mystical forces that shape and protect us the sacred history is an account of the workings of the supernatural in history it tells the epic story of angels from creation to evolution through to the operations of the supernatural in the modern world this tale of how people and peoples have been helped by angels and other angelic beings is woven into a spellbinding narrative that brings together krishna mooses buddha elijah mary and jesus mohammed joan of arc the angels who helped hungarian jews persecuted by the nazis and stories from african native american and celtic traditions told from the spiritual point of view the sacred history relates every betrayal every change of heart every twist and turn everything that looks like a coincidence every portent every clue every defeat every rescue moments before the prison door clangs shut this is the angelic version of events
