with tables of the cases and principal matters varies

Private and Local Acts Passed by the Legislature of Wisconsin

1885

1. The purpose of this Act is to provide for the establishment of a new section 3 of the Interstate Commerce Act, which shall read as follows: "The Interstate Commerce Commission shall have the authority to regulate the rates of freight and passenger traffic between any two points on any line of interstate commerce, and to require the carriers to file with it their schedules of rates, and to prevent discrimination in rates between different shippers or consignees."

and economic well being using comparative studies a profile of best practice in street and city design is identified showing methodologies in both the analysis of and design for successful streets and public places place making in uniquely dealing with both the historic and contemporary description and analysis of urban streets around the world the work is of both academic and professional interest to architects urban planners and designers highway engineers landscape and urban design advisers in both the public and private sectors students amenity and civic societies city authorities and government agencies
