el presente ensayo comprensivo de la realidad social del nacionalismo vasco en el siglo xxi no contiene recetas ni pretende ser un compendio de soluciones antes bien interroga a la realidad vasca sobre la complejidad que ésta atesora el autor de la mano de la historia realiza un recorrido para averiguar el sentido del nacionalismo en los tiempos presentes al tiempo que penetra en la incidencia de la globalización en la configuración del poder político y en la transformación de los discursos alrededor de la nación de la soberanía y de la territorialidad centrando los retos en la creación de un nuevo concepto de nación en la asunción del pluralismo en el final de la violencia y en la relación con el estado la mirada difusa es un libro tan alejado de la comodidad como valioso para quienes deseen explorar el enigma vasco el malestar en que se vive no se lo puede considerar hoy simplemente como un problema personal el hecho que busquemos olvidar nuestro sinsentido embotándonos en la actividad frenética en la televisión o cualquier tipo de químicos amparados o no por una legalidad no nos permite reconocer en la propia vida su sentido se trata de una época en que se desmorona todo aquello en lo que creíamos como verdad indubitable esto produce una inestabilidad que a veces conduce al pánico o a la depresión pero es también una época que ha abierto una puerta que podría comunicarnos con el profundo significado de la propia vida el autor recorre su mundo interno acompañando al lector para que reconozca el suyo propio recogiendo una delgada hebra de la existencia al preguntarse que pasaría si esta vida la propia tuviera efectivamente y más allá de toda duda un significado un sentido una dirección en un lenguaje que echa mano a la filosofía al mito al cuento y a la poesía este texto intenta un diálogo que nos comunique con nosotros mismos this book investigates decolonization as a local process and its connections to international relations introducing internal colonialism as a crucial analytical category for internationalists using bolivia as a case study the author argues that the reshaping of colonialism and its resistance domestically is also reflected and reproduced abroad by political actors be they the governments or indigenous movements by problematizing postcolonial debate concerning the constitution reproduction of colonial logics in international relations the book proposes a return to the local to show how power relations are exercised concretely by the protagonists of political process such dynamics reveal the interrelationship between the

local and the international especially in which the latter represents a necessary dimension to both reinforce colonialism and oppose colonial logics of interest to scholars and students of ir latin american and andean studies this book will also appeal to those working in the fields of area studies anthropology indigenous politics comparative politics decolonization and political ecology la originalidad de este libro de josep maria esquiroi consiste en haber definido un camino filosófico un método una manera de orientar el pensamiento y de trazar un posible itinerario de vida reflexiva en un mundo dominado por la desorientación y por el reduccionismo derivado de la ideología tecnocientífica resulta muy revelador darse cuenta de que la mirada atenta es la esencia del respeto y por tanto de que el método de penetración filosófica es a la vez una ética que cabe llamar ética de la mirada atenta o ética del respeto una ética es decir una manera de relacionarse con los demás y de habitar el mundo en cuyo seno cobran todo su sentido palabras como proximidad cuidado finitud humildad el rigor filosófico con el que se ha escrito esta obra en ningún momento da a la propuesta un aspecto elitista o academicista muy al contrario está abierta a todo el mundo porque en realidad ella misma está ya inspirada en esa buena gente que tantas veces desde la sencillez da ejemplo de madurez y de sabiduría la conjugación alcohol y adolescencia es una preocupación constante que aparece cíclicamente en el interés social en algunas ocasiones se visibiliza como un problema de orden público en otros se acentúa como un problema educativo en otras ocasiones coge fuerza la visión de salud pública todas son ciertas pero parciales e incompletas si no se aúnan todas las visiones en una interpretación más omnicompreensiva del fenómeno del consumo de alcohol juvenil ello es especialmente necesario cuando se trata de buscar soluciones o programas preventivos de impacto en la población juvenil un análisis riguroso de arabia saudi desde su rica historia antigua hasta su gran reto ante la modernidad un nuevo espacio de reflexión e intercambio de experiencias y conocimientos after having ignored victims only recently both domestic and international law have begun to pay attention to them as a consequence different international norms related to victims have progressively been introduced these are norms generally characterized by a certain concept from the perspective of victims as well as by the enumeration of a list of rights to which they are entitle to rights upon which the international statute of victims is built in reverse these catalogues of rights are the states obligations most of these rights are already existent in the international law of human rights consequently they are not new but consolidated rights others are strictly linked to victims concerning the following categories victims of crime victims of
