offering plenty of power and torque in the midrange the
cb500x features a 471cc liquid cooled parallel twin engine
light narrow and powerful it just strikes the perfect balance of
what a mid sized motorcycle engine should be if you ve
already tried and tested 300cc motorcycles and are ready for
something with a little more grunt a 500cc motorcycle might
be just what you need with manageable handling and enough
power to have some fun with 500cc motorcycles offer the
perfect balance of performance and usability light nimble and
narrow as only a twin can be the engine loves to rev and
offers tons of torque the full coverage bodywork with new
aerodynamic updates looks like something right off the
