A History of the University of Alberta

1981

walter h johns president of the university of alberta during the most hectic years of growth 1959 to 1969 tells a story of great human interest as well as documenting for posterity the academic and administrative functions of this canadian university and the covering provincial legislation

Echoes in the Halls

1999-11

from the research labs at the university to remote lakes in alberta and the northwest territories echoes in the halls tells us the stories about the antics the hijinks and the adventures of professors at the university of alberta a must read for history buffs and university alumni with so many wonderful memories of people events and achievements over the years it s no wonder that the university of alberta drama department holds such a large place in my heart and it s no wonder that i still come back for opening night frank bueckert no matter what the setting however i always found it immensely satisfying to teach undergraduates it was fun it was hard work and there was always something further to come ralph nursall

The University of Alberta, 1908-1983

1982

a critical history of the genesis and evolution of the university of alberta to mark the university s centennial dust jacket

All True Things

2008-09-16

when archbishop henry o leary became the second archbishop of edmonton in 1920 he had a dream to build a western canada catholic college that would educate students in the christian intellectual tradition this is the story of how a small roman catholic institution confronted daunting challenges to become a christian beacon of enlightenment at the very heart of the secular university of alberta scholarship and community life in residence was always supplemented with teaching from the christian ministry team to form christian citizens who would go out into the world to serve the larger community following graduation in 1963 the congregation of st basil took over the administration of the college from the christian brothers de la salle who had administered the college from its founding in 1926 since its establishment almost ninety years ago the college has continued to provide young men and women with post secondary courses grounded in roman catholic thought while pursuing their undergraduate degrees at the university of alberta initially a residence was built for men but o leary s dream of also constructing a women s residence never died and was finally realized in 2015 faced with slender means misunderstandings student mischief and personality clashes the mission of st joseph s college has guided faculty administrators staff and board members throughout its history and melded them into a close knit community whose example is the envy of other units at the university of alberta

Beyond the Classroom : the First 60 Years of the University of Alberta Department of Extension

1981

this centennial history of the library will enlighten librarians institutional historians and friends of the university of alberta

University Education in Alberta : Public Opinion Trends

1991

a great diversity of invertebrate life lives beneath the surface of alberta s lakes and streams aquatic invertebrates of alberta complements existing field guides to organisms in alberta covering all major groups of aquatic invertebrates colour photographs pictorial keys and 114 whole specimen drawings complement the text this book is only available through the university of alberta bookstore print on demand

From the Past to the Future

1992

studies fall into three divisions geotechnology environmental engineering and resource development

St. Joseph's College

2015

through mesmerizing forays into characterization voicing and narrative technique and with a clean economy of style rare even in short fiction astrid blodgett conjures the moral and existential freight of her fully fledged characters in the throes of realistic moments from the fascinatingly unhinged hero of getting the cat to the dreamy survey of prairie landscape and childhood experience of new summer dresses to the fatal irony of ice break readers will be hooked from first sentences and carried along on crisp prose you haven t changed a bit shimmers with the energy of a first book while affording readers the subtlety complexity and range of an accomplished master of the genre

The University of Alberta Library Guide

1979

this book catalogues an exhibition of textbooks by authors from the university of alberta each finished textbook contains its own story of challenges and victories and each has its own power as a record of knowledge a teaching tool and an object of permanence and beauty
