taken advantage of by geraldine ahearn author geri ahearn october 5 2009 phoenix az 5 0 out of 5 stars very impressive amazon verified purchase i bought the book because i wanted to find out the right way to buy a car i m going to be ready for a new one in a few months so i might as well start now on learning all i can about car salesmen i can t trust them my goal was to buy one read it then buy another and so on as long as they had high recommendations and were reasonably priced i figured i d spend about 75 on 5 books by then i could probably learn everything about how they always end up screwing you and if it cost me 75 but saved me 1000 or more it would be a worthwhile investment i saw this book and i liked the title so i thought why not i ll take a chance i m really glad i did inside the minds of car dealers has everything you ll ever need to know on how to get a really good deal there was stuff in it that i never even dreamed of that goes at the dealership and it s not just with the salesman it s with the sales manager the way the showroom is laid out and even the dealership s ads for salesmen who would ve ever thought to start researching there first but it does make sense this book explains why you never want to go on the lot with an attitude like you know how to deal i just found out why my friend ended up paying more for his focus than i did a couple years ago we bought ours a few days apart he told them he knew the exact price they paid for the car and he wouldn t pay anything over that he ended up paying 1378 more than me and the reason is in this book too bad for him the book wasn t available back then there s so much great information in it and it s so easy to read too none of the sales lingo just plain english and it uncovers even more than you d ever expect i m going to read it a few more times before i get my new car and i recommend to everyone to buy inside the minds of car dealers it will save you money and a lot of time and like the title says you can buy your next car without fear by radio guy november 14 2009 los angeles
