york times bestselling author southern cross is the second book in the andy brazil series from patricia cornwell judy
hammer has accepted the challenge of richmond virginia s police department to try and reverse the escalating crime
statistics in the city she brings with her deputy chief virginia west and andy brazil now a full time police officer
they find a lot of things they are all too familiar with teenage gangs a rash of robberies at cash dispensers street
corner drug dealing racial tensions too many people with too many guns and a cardiac inducing lack of parking spaces
they also meet resentment from the established police force and over high expectations from the city s institutions
then a computer virus crashes the police computer freezing their screens with a design of blue fish and the same blue
fish appears on the statue of jefferson davis which a graffiti artist has turned into a black basketball player and a
gang called the pikes claim it is their symbol which also has links to the robberies in an incredibly fast moving
police procedural patricia cornwell takes her readers on a roller coaster ride of action and emotion the top gun in
this field daily telegraph forget the pretenders cornwell reigns mirror the agatha christie of the dna age express
new york times bestseller business book of the year association of business journalists from the new york times
bestselling author comes an eye opening urgent look at america s broken health care system and the people who are
saving it now with a new afterword by the author a must read for every american steve forbes editor in chief forbes
one in five americans now has medical debt in collections and rising health care costs today threaten every small
business in america dr makary one of the nation s leading health care experts travels across america and details why
health care has become a bubble drawing from on the ground stories his research and his own experience the price we
pay paints a vivid picture of the business of medicine and its elusive money games in need of a serious shake up dr
makary shows how so much of health care spending goes to things that have nothing to do with health and what you can
do about it dr makary challenges the medical establishment to remember medicine s noble heritage of caring for people
when they are vulnerable the price we pay offers a road map for everyday americans and business leaders to get a
better deal on their health care and profiles the disruptors who are innovating medical care the movement to restore
medicine to its mission makary argues is alive and well a mission that can rebuild the public trust and save our
country from the crushing cost of health care the most trustworthy source of information available today on savings
and investments taxes money management home ownership and many other personal finance topics field stream america s
largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound

advice while honoring the traditions hunters and fishermen have passed down for generations popular mechanics
inspires instructs and influences readers to help them master the modern world whether it s practical diy home
improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science
