staggering down the hallway banging into the banister sloshing his drink of choice most likely a gin and tonic along the way as he reached for her door i felt my airways constrict and the walls of the room close in around me my body stiffened and my senses numbed as i listened for the faint squeak of my bedroom door to open softly i am 17 year old aristocratic born candace spencer and i quickly recognized the monster that prowled the darkness of my sanctuary my breath faded as the muscular figures slithered into my room and onto my body my nightmare only lasted a few minutes several times a week but i lost a part of my soul a little bit more during each horrific moment i closed my eyes and lived one more death as he devoured me but tonight i vowed it would end the prominent and respected businessman revered by the community would not return to my bedroom again never again i had no idea how long it had been away a spiritual guide s time was measured very differently compared to human lifetime was it a day later or had one or twenty years passed right now i had my first assignment in my new form mari santiago a 16 year old teenager struggling to survive her family s domestic violence and sexual assaults in the tough streets of new york the whispers within reveals the parallel of two dissimilar lives between two teenagers one alive and the other dead mari comes to know candace in a manner she would have never dreamt candace having lived life at the opposite economic strata from the inner city life mari was accustomed to is only equipped with whispers of encouragement to defeat mari s demons how will candace handle returning to earth as a spirit when she did not deal with her own nemesis while alive will mari be consumed by the demons that surround her or will candace pave a way for mari to flee them will they both come to know each other s demons will candace s whispers be enough for mari to conquer her demons while building a new life

Point-of-Care Ultrasound Techniques for the Small Animal Practitioner 2020-12-23 through her unconventional experimentation with ribbon author and designer denise giles has formulated an enchanting combination the texture of traditional candlewicking with the classic beauty of silk ribbon replace the heavy cotton threads with delicate flosses silken or metallic threads and pearl cotton substitute the white cotton fabric within linen woven muslin or even color fabrics add beautiful ribbon embroidery accents and needle artists are left with this fresh new twist to an age old needlework hobby encompassing contemporary candlewicking fitting for today s home decor 31 original patterns complete with color diagrams and step by step photographs are worked into 29 projects greet guests in the entryway with a welcoming coat rack gather the family around the kitchen table with a warm hearty meal with placemats and napkins retreat to where the outdoors come in with dragonfly pillows butterfly trays and flower frames

The Whispers Within 2013-04-17 initially stationed at the u s army s counterintelligence headquarters in saigon david noble was sent north to launch the army s first covert intelligence gathering operation in vietnam s central highlands living in the region of the montagnards vietnam s indigenous tribal people deemed critical to winning the war noble documented strategic hamlets and green beret training camps where special forces teams taught the montagnards to use rifles rather than crossbows and spears in this book he relates the formidable challenges he confronted in the course of his work weaving together memoir excerpts from letters written home and photographs noble s compelling narrative throws light on a little known corner of the vietnam war in its early years before the tonkin gulf resolution and the deployment of combat units and traces his transformation from a novice intelligence agent and believer in the war to a political dissenter and active protester

National Geographic 1969 following the japanese attack on pearl harbor the dutch naval air force or marine luchvaart dienst mld played a significant but largely overlooked role in the opening months of the pacific war with 175 aircraft the mld greatly outnumbered the combined forces of its american and british allies in three months of intense combat the mld lost 50 percent of its personnel and 80 percent of its aircraft as the netherlands colonial empire was stripped away this book details mld operations during the japanese invasion of dutch east indies giving a comprehensive overview of organization personnel aircraft equipment and tactics for the first time in english the failed evacuation of java is examined

Monthly Catalog of United States Government Publications 1985 unlike such romanticized renegades as robin hood and jesse james there is another kind of outlaw hero one who lives between the law and his own personal code in times of crisis when the law proves inadequate the liminal outlaw negotiates between the social imperatives of the community and his innate sense of right and wrong while society requires his services he necessarily remains apart from it in self preservation the modern outlaw hero of film and television is rooted in the knight errant whose violent exploits are tempered by his solitude and devotion to a higher ideal in hollywood classics such as casablanca 1942 and shane 1953 and in early series like the lone ranger 1949 1957 and have gun will travel 1957 1963 the outlaw hero reconciles for audiences the conflicting impulses of individual freedom versus serving a larger cause urban westerns like the dirty harry and death wish franchises as well as iconic action figures like rambo and batman testify to his enduring popularity this book examines the liminal hero s origins in medieval romance his survival in the mythology of the hollywood western and his incarnations in the urban western and modern action film

A Dawn Chorus 2015-12-28 ensuring patient safety and providing high quality health services are the dominant challenges faced by healthcare systems around the world today the sharing of advanced knowledge and best practice in diagnosis therapy process optimization and prevention are essential to achieve this goal this includes enhanced networking socially and technologically as well as the inclusion of public health and social sciences this book contains the proceedings of the 13th european federation for medical informatics efmi special topic conference stc held in prague czech republic in april 2013 the efmi stc 2013 is europe s leading forum for presenting the results of current scientific work in health informatics processes systems and technologies this year the title of this 13th conference is data and knowledge for medical decision support and the conference addresses this important field linking traditional and translational medicine with natural sciences and technology with a view to the design implementation and deployment of intelligent systems which will meet the expectations of developers and users such as health professionals and patients within this context the authors included here address the important issues of knowledge representation and management appropriate terminologies and ontologies the development of reasoning engines and the modeling and simulation of real systems for decision making the hot topics of big data and analytics also receive attention
