Cultural Memory in Seamus Heaney's Late Work 2013-11-18

Cultural Memory in Seamus Heaney's Late Work considers the ways that memory functions in Heaney's poetry Joanne Piavanini argues that the shaping of collective memory is one of Heaney's major contributions as a poet locating Heaney in a transnational literary sphere this book argues that his late work is defined by a type of cosmopolitanism openness the work moves beyond national identity to explore multiple allegiances and identifications moreover Piavanini demonstrates that memory is a helpful lens to look at Heaney's late work in particular because of the interplay of past present and future in these works in the construction of a collective memory of the troubles in the use of the elegy to commemorate the passing of important contemporary poets in his writing on events with transnational significance such as 9/11 in the slippages between past and present in poems about his family and through the literary afterlives of texts specifically his appropriation of canonical classical texts drawing on approaches and concepts from memory studies Piavanini considers Heaney's late work to develop an analysis of poetry as a vehicle of memory

Dark Waters, Starry Skies 2018-10-22

esteemed pacific war historian jeffrey cox has produced a fast paced and absorbing read of the crucial new georgia phase of the Guadalcanal Solomon Islands campaign during the Pacific War thousands of miles from friendly ports the US Navy had finally managed to complete the capture of Guadalcanal from the Japanese in early 1943 now the Allies sought to keep the offensive momentum won at such a high cost this is the central plotline running through this page turning history beginning with the Japanese operation I-Go and the American ambush of Admiral Yamamoto and continuing on to the Allied invasion of New Georgia northwest of Guadalcanal in the middle of the Solomon Islands and the location of a major Japanese base determined not to repeat their mistakes at Guadalcanal the Allies nonetheless faltered in their continuing efforts to roll back the Japanese land air and naval forces using first hand accounts from both sides this book vividly recreates all the terror and drama of the nighttime naval battles during this phase of the Solomon Islands campaign and the ferocious firestorm many Marines faced as they disembarked from their landing craft the reader is transported to the bridge to stand alongside Admiral Walden Ainsworth as he sails to stop another Japanese reinforcement convoy for New Georgia and vividly feels the fear of an 18 year old Marine as he fights for survival against a weakened but still determined enemy *Dark Waters Starry Skies* is an engrossing history which weaves together strategy and tactics with a blow by blow account of every battle at a vital point in the Pacific War that has not been analyzed in this level of detail before

Bushcraft 2018-05-02

this important book will teach you how to make fire in the wild and find the food you need to survive you're going to be able to fight for yourself and support any others you can come across bushcraft is a concept that many are becoming more acquainted with as the need for people to learn the art of survival without modern conveniences grows our world is in chaos and there always seems to be a threat of something big going on that will forever change the world as we know it those who have taken the time and effort to practice bushcraft will be the ones who will succeed in the new world those who are skilled in bushcraft will have a sense of self confidence that those who have no idea how to live in the wilderness will not have experienced bushcraft people will know that they can handle whatever comes in their way and will not live in fear of the unknown and uncertain future those who know how to survive and thrive in the wild will be able to take care of their families and do what is necessary to ensure that their children have food in their stomachs and a good place to sleep at night studying bushcraft doesn't require any capital it's something you can do just by going out in nature on a weekend reading studying and practicing the skills you're going to need to survive doesn't cost a thing but satisfaction and trust are priceless what you will learn introduction what's the distinction in between survival bushcraft bushcraft water 15 ways to start a fire without matches foods do you know which poisonous snakes dwell in your area how to quest chef and eat bears for survival what to do if there's nobody to find for you survival how to find real north without a compass leading survival tools for the wild and more

Wisdom Poured Out Like Water 2018-08-17

this collection presents innovative research by scholars from across the globe in celebration of Gabriele Boccaccini's sixtieth birthday and to honor his contribution to

the study of early judaism and christianity in harmony with boccaccini s determination to promote the study of second temple judaism in its own right this volume includes studies on various issues raised in early jewish apocalyptic literature e g 1 enoch 2 baruch 4 ezra the dead sea scrolls and other early jewish texts from tobit to ben sira to philo and beyond the volume also provides several investigations on early christianity in intimate conversation with its jewish sources consistent with boccaccini s efforts to transcend confessional and disciplinary divisions by situating the origins of christianity firmly within second temple judaism finally the volume includes essays that look at jewish christian relations in the centuries following the second temple period a harvest of boccaccini s labor to rethink the relationship between judaism and christianity in light of their shared yet contested heritage

REASONABLE FAITH *2016-08-13*

this edited collection explores how first lady michelle obama gradually expanded and broadened her role by engaging in social political and economic activities which directly and indirectly impacted the lives of the american people especially young women and girls the volume responds to the various representations of michelle obama and how the language and images used to depict her either affirmed offended represented or misrepresented her and its authors it is an interdisciplinary evaluation by african american women and girls of the first lady s overall impact through several media including original artwork and poetry it also examines her political activities during and post election 2016

Michelle Obama's Impact on African American Women and Girls *2019-06-03*

in this study of macedonian slavs in the greek civil war the author examines how their participation in the conflict and the attempts by other groups to manipulate them gave rise to modern issues that continue to affect politics in the region today the macedonian question has confounded academics politicians and the people of the balkans since the nineteenth century while the countries have resolved the territorial component of the macedonian question the critical and confusing question surrounding the ethnic and linguistic identity of the people of the region continues to be the source of international debate part of the reason for this confusion is because the history of the macedonian question is shrouded in nationalist polemics the role of the macedonian slavs involvement in the greek civil war is particularly contentious and embedded in nationalist polemics which has impacted academic inquiry this book argues that the preponderance of macedonian slavs within the communist forces during the greek civil war influenced the actions of all the major actors involved and is a significant factor in shaping the modern macedonian national identity

DEEP BIBLE STUDY *2018-03-15*

why do so many sports teams have losing records year after year why do others win big but only every 20 or 30 years and why is it that so few teams enjoy sustained continual success this book gives the answer providing a blueprint or playbook for success in sports at every level it lays out a clear step by step plan for building a team culture that will lead to winning consistently with each step the book introduces real world tools that can be easily implemented by every sports organization and coach to achieve success including team charters individual athlete plans player accountability systems and team communication strategies it offers expert advice and

Success Express Lane 2019-11-27

there are no pre packaged magic bullet solutions to life s anticipated and unforeseen hurdles catastrophe to hope five voices of the bible underscores the inevitable everyone endures episodes of suffering and trauma when this happens a person can choose to take baby steps to restore some semblance of psychological and spiritual balance catastrophe to hope unveils a blueprint for gradual recovery by looking to five books from the hebrew bible for inspiration read in light of each other the books of lamentations ecclesiastes esther song of songs and ruth forge a path that slowly moves from the shadows into sunlight if lamentations and ecclesiastes have much to say about languishing in pits of agony and anguish esther shows how the will to survive can turn the tables on evil that relies on lies to restore a measure of equilibrium opens the door to engaging the song of songs with its soaring proclamation that love is as fierce as death the journey toward recovery culminates with ruth s transitioning from trauma to triumph and her stalwart conviction that resilience and hope are vital components of humanity s spiritual dna catastrophe to hope adds several inspirational stories to punctuate its message of mending and healing they include works by shakespeare elizabeth barret browning elie wiesel cynthia ozick and the life of joseph p kennedy

GIS for Critical Infrastructure Protection 2016-03-29

science is beginning to understand that our thinking has a deep and complicated relationship with our eating our thoughts before during and after eating profoundly impact our food choices our digestive health our brain health and more yet most of us give very little thought to our food beyond taste and basic nutritional content in this revolutionary book dr caroline leaf packs an incredible amount of information that will change readers eating and thinking habits for the better rather than getting caught up in whether we should go raw or vegan gluten free or paleo leaf shows readers that every individual is unique has unique nutritional needs and has the power to impact their own health through the right thinking there s no one perfect solution rather she shows us how to change the way we think about food and put ourselves on the path towards health anyone who is tired of traditional diet plans that don t work who struggles with emotional eating or who simply isn t satisfied with their level of health will find in this book the key to discovering how they can begin developing a healthier body brain and spirit

Catastrophe to Hope 2015-06-01

how do evangelism and social concern relate to one another in the mission of the church how should the old testament s emphasis on social justice inform the praxis of modern believers does the bible emphasize individual salvation or does it teach a broader more inclusive concept theologians missiologists pastors and educators have wrestled with these questions for centuries but especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical christians with few indications that a consensus may soon be forthcoming yet few have offered so thorough an answer to these questions as has carl f h henry henry s regenerative model of evangelism and social concern stands on the shoulders of augustine and many others and offers what may be the best way forward this book explores henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics thus it will prove a valuable resource for all interested in this topic

Think and Eat Yourself Smart 2022-06-13

the turtle is known for its slow movements and calculated steps it has very few predators which gives it an air of innocence and has a very long lifespan in many cultures the turtle signifies wisdom patience as well as longevity of life this indicates the turtle is a symbol of endurance persistence and the continuation of a long and healthy life sometimes against incredible odds much like the turtle author nathaniel wilkins believes that anyone can push through the toughest of times and continue thriving in this world we exist in through his own personal experiences and his understanding of human existence nathaniel wilkins wants to take you the reader on a journey of self determination understanding and self actualization if you see a turtle on a stump somebody put it there is a book about unlocked the secrets of survival in this dog eat dog world and making the reader realize how much greater they are than they think by keeping a close eye on your mental health and through self discipline this book aims to teach you how to be successful in life in more ways than one to pick your friends wisely to adapt to surviving and to see the importance of travelling will eventually lead you to know the game and to take it by the reins

Evangelism and Social Concern in the Theology of Carl F. H. Henry 2020-09-22

an unprecedented analysis of the crucial but underexplored roles the united states and other nations have played in shaping syria s ongoing civil war one of the best informed and non partisan accounts of the syrian tragedy yet published patrick cockburn independent syria s brutal long lasting civil war is widely viewed as a domestic contest that began in 2011 and only later drew foreign nations into the fray but in this book christopher phillips shows the crucial roles that were played by the united states russia iran saudi arabia turkey and qatar in syria s war right from the start phillips untangles the international influences on the tragic conflict and illuminates the west s strategy against isis the decline of u s power in the region and much more originally published in 2016 the book has been updated with two new chapters

If You See A Turtle On Stump, Somebody Put It There! 2013-04-21

argues that finance should be defined not merely as the manipulation of money or the management of risk but as the stewardship of society s assets and that new ways to rechannel financial creativity to benefit society as a whole are needed

The Battle for Syria 2015-12-15

fighting monsters in the abyss studies the complex constraints and trade offs the second administration of colombian president uribe 2006 2010 encountered as it attempted to resolve that nation s violent marxist insurrection and to have a more efficient judicial system

Finance and the Good Society 2022-07-07

this book offers a selection of the papers of the women in pragmatism international conference held at the university of barcelona in january 2020 the conference gathered women and non binary scholars from twelve different countries this was the first pragmatist conference organized entirely by women and non binary persons it has initiated a stable network of mentoring and support analogous to other women philosophers organizations the book provides paths to reconstruct the roots of pragmatism integrating the works of women pragmatists of the past and linking them to the current developments of feminist and pragmatist topics scholars of different countries status and backgrounds serve as a powerful example of the trend toward interdisciplinary cooperation and versatility we might expect for the future of pragmatism the book is of interest for scholars interested in both pragmatism and feminism from various perspectives ranging from psychology to semiotics logic and sociology wishing to expand their horizons and understand their relevant interactions

Fighting Monsters in the Abyss 2016-11-03

this book analyses different strategies and their results in implementing financial regulation in terms of rule making public enforcement and private enforcement the analysis is based on a comparative study of conduct of business regulation on mis selling of financial instruments in the uk and south korea it extends into liquidity regulation in the banking sector and credit rating agency regulation the book concludes that in rule making purposive rules are more effective for achieving regulatory goals with minimal undesirable results but a rule making system with purposive rules can only work on a foundation of trust among rule makers enforcers and the regulates that with respect to public enforcement the enforcement strategies should combine the compliance oriented and deterrence oriented approaches and be continuously adjusted based on close monitoring of the regulatory outcomes and that in private enforcement regulation should be instituted as the minimum requirement in private law

Women in Pragmatism: Past, Present and Future 2020-12-03

whether preparing us for economic recovery after the zombie apocalypse analyzing vampire investment strategies or illuminating the market forces that affect vampire human romances economics of the undead zombies vampires and the dismal science gives both seasoned economists and layman readers something to sink their teeth into undead characters have terrified popular audiences for centuries but when analyzed closely their behaviors and stories however farfetched mirror our own in surprising ways the essays collected in this book are as humorous as they are thoughtful as culturally relevant as they are economically sound and provide an accessible link between a popular culture phenomenon and the key concepts necessary to building one's understanding of economic systems big and small it is the first book to apply and combine economics and our society's fascination with the undead and is an invaluable resource for those looking to learn economic fundamentals in a fun and innovative way contributions by kyle william bishop eleanor brown ian chadd darwynn deyo steven horwitz daniel farhat jean baptiste fleury enrique guerra pujol brian hollar sebastien lecou joseph mandarino alain marciano fabien medvecky david t mitchell michael o hara m christine phillips a lynn phillips g michael phillips lorna piatti farnell robert prga hollis robbins sarah skwire ilya somin david tuftte mary jo tuftte and charlotte weil

THE CHRISTIAN APOLOGIST *2014-07-17*

a history of rwanda from the monarchy to post genocidal justice provides a complete history of rwanda from the precolonial abanyiginya kingdom through the german and belgian colonial periods and subsequent independence and then the devastating 1994 genocide and reconstruction right up to the modern day based on extensive archival research this book provides new insights and corrects many popular stereotypes about rwanda aiming to go beyond the polarized and heated debates focused on the genocide and the events that followed readers will get a clear and broad picture of rwanda s history and the social and political contexts that have defined the county from the pre colonial period onwards embedding rwanda s history in the regional context this book avoids simple moral judgements and instead shows where and when rwanda differed from its neighbours and how the country s history fits into larger debates about colonialism genocide ethnicity race and development offering a full and balanced exploration of rwanda s rich and paradoxical history this book will be an important read for researchers and students of african history genocide studies transitional justice colonialism and political and social anthropology
