The World's Water Volume 7

2016-05-06

many developing countries have the capacity to develop broad development policy directions and formulate development programs that are logical and consistent but these do not obtain the desired or targeted results because of challenges in the delivery system it is increasingly apparent that development efforts must be carefully crafted and targeted in the right way to achieve the most effective results in an efficient manner recent literature in development studies evidence the important role of delivery in actualizing positive and efficient development impact improving delivery and development impact requires a multidisciplinary approach development practitioners devoted to rule of law and justice must conjoin their efforts concepts tools and knowledge with experts from various disciplines so as to shape a delivery system that adds economic and social value to ultimate beneficiaries of development in the foregoing light the book brings together the diverse perspectives of development experts international lawyers academics researchers

legal practitioners public and civil servants and other professionals in order to explore the values of voice social contract and accountability and thereby address the following issue how can law and justice tools concepts and knowledge when anchored in values such as voice social contract and accountability shape a delivery system that adds economic and social value to ultimate beneficiaries of development the book revolves around a discussion of the three values of voice social contract and accountability as they relate to the role and function of law rule of law justice judicial systems and other related areas in delivering development impact additionally the book departs from the legal and includes other multidisciplinary approaches in its discussion of the three values and their impact on delivery in development the range of issues covered by the book include those relating to human rights government policy urban development resource management gender social rights economic reforms financial empowerment opportunity creation governance urban law sustainable development and anti corruption
