Gone to the Dogs 2007-12-18

the art and commentary of nell brinkley 1886 1944 ran
in american newspapers from 1907 through the 1930s
at the height of her popularity the brinkley girl
appeared in the ziegfeld follies and inspired poems and
popular songs brinkley s name even sold hair curlers
and her delicate pen work influenced later women
cartoonists as early as 1913 brinkley was drawing
working women from farm and factory workers to
those pursuing careers using her art to encourage
decent pay pensions and housing for thousands of
young women working for the war effort this work
covers her life and her work which might upon first
glance show pretty girls but on a closer inspection
reveals a post victorian feminism it also looks at her
rise to popularity the innocent sexuality of her brinkley
girls the sugary and sentimental betty and billy series
and the beauty of her line drawings

Two-Thirds of a Ghost: A Nell Bane Novel 2013-03-12

perceptive controversial topical and achingly funny miriam toews s books have earned her a place at the forefront of canadian literature in this first monograph on toews s work sabrina reed examines the interplay of trauma and resilience in the author s fiction reed skillfully demonstrates how toews situates resilience across key themes including the home as both a source of trauma and an inspiration for resilient action the road trip as a search for resolution and redemption and the reframing of the mennonite diaspora as an escape from patriarchal oppression the deaths by suicide of toews s father and sister stand out as the most shocking and tragic of the author s biographical details and reed explores toews s use of autofiction as a reparative gesture in the face of this trauma written in an accessible style that will appeal to both scholars and devotees of toews s work lives lived lives imagined is a timely examination of toews s oeuvre and a celebration of fiction s ability to simultaneously embody compassion and anger joy and sadness and to brave the personal and communal oppressions of politics religion family society and mental illness

Nell 1880

my family has a grand tradition after a woman gives birth she goes mad i thought that i would be the one to escape so begins adrienne martini s candid compelling and darkly humorous history of her family s and her own experiences with depression and postpartum syndrome illuminating depression from the inside martini delves unflinchingly into her own breakdown and institutionalization and traces the multigenerational course of this devastating problem moving back and forth between characters and situations she vividly portrays the isolation geographical and metaphorical of the appalachia of her forebears and the western pennsylvania region where she grew up she also weaves in the stories of other women both contemporary and historic who have dealt with postpartum depression in all its guises from fleeting baby blues to full blown psychosis serious as her subject is martini s narrative is unfailingly engaging and filled with witty wry observations on the complications of new motherhood it s like getting the best christmas gift ever but santa decided to kick the crap out of you before you unwrapped it new mothers and those who have struggled with parenthood whether or not they dealt with depression will find affirmation in this story of triumph of escape from a difficult legacy of hope for others and of the courage to

have another baby

Memoria e suggestionabilità nell'età evolutiva. Studi e ricerche 2007-08-29

nell m came to her therapist with an unusual problem she was disappointed that her metastatic breast cancer was not progressing as predicted she had hoped breast cancer would lead to death preventing her from witnessing her spouse s mental deterioration from alzheimer s disease this is how nell s story began as nell became increasingly aware of her death on the near horizon the therapy sessions with the author were recorded and transcribed the nell dialogues conversation in mortal time consists of twelve of nell s illness narratives that explore the challenges of managing the physical and emotional demands of cancer relationship issues with family and health care professionals and disturbing anxiety provoking thoughts as well as the mourning that accompanies the end of life these dialogues trace nell s acceptance of and struggle with the practical obstacles to achieving a good death they also offer a window on the world of patients and their caregivers facing a life threatening illness together a commentary by the author accompanies each dialogue giving the reader insights on the therapist s thinking during the counselling sessions and offering context and lessons learned from them nell s vibrant voice is a beacon

~~throughout the narratives sometimes sad yet always~~
hopeful for a good death her ability to navigate the
difficult territory of mortal time and dying informs the
reader about how death might be approached with
grace and dignity
