charles dickens once commented that in each of his christmas stories there is an express text preached on always taken from the lips of christ this preaching linda m lewis contends does not end with his christmas stories but extends throughout the body of his work in dickens his parables and his reader lewis examines parable and allegory in nine of dickenss novels as an entry into understanding the complexities of the relationship between dickens and his reader through the combination of rhetorical analysis of religious allegory and cohesive study of various new testament parables upon which dickens based the themes of his novels lewis provides new interpretations of the allegory in his novels while illuminating dickenss religious beliefs specifically she alleges that dickens saw

himself as valued friend and moral teacher to lead his dear reader to religious truth dickens s personal gospel was that behavior is far more important than strict allegiance to any set of beliefs and it is upon this foundation that we see allegory activated in dickens s characters oliver twist and the old curiosity shop exemplify the victorian cult of childhood and blend two allegorical texts jesus s good samaritan parable and john bunyan s the pilgrim s progress in dombey and son dickens chooses jesus s parable of the wise and foolish builders in the autobiographical david copperfield dickens engages his reader through an old testament myth and a new testament parable the expulsion from eden and the prodigal son respectively led by his belief in and desire to preach his social gospel and broad church christianity dickens had no hesitation in manipulating biblical stories and sermons to suit his purposes bleak house is dickens s apocalyptic parable about the day of judgment while little dorrit echoes the line forgive us our debts as we forgive our debtors from the lord s prayer illustrating through his characters that only through grace can all debt be erased the allegory of the martyred savior is considered in hard times and a tale of two cities dickens s final completed novel our mutual friend blends the parable of the good and faithful servant with several versions of the heir claimant parable while some recent scholarship debunks the sincerity of dickens s religious belief lewis clearly demonstrates that dickens s novels challenge the reader to investigate and develop an understanding of new testament doctrine dickens saw his relationship with his reader as a crucial part of his storytelling and through his use and manipulation of allegory and parables he hoped to influence the faith and morality of that reader

### The Madman His Parables and Poems by Kahlil Gibran

1918

you ask me how i became a madman it happened thus one day long before many  
gods were born i woke from a deep sleep and found all my masks were stolen the  
seven masks i have fashioned and worn in seven lives i ran mask less through  
the crowded streets shouting thieves thieves the cursed thieves men and women  
laughed at me and some ran to their houses in fear of me and when i reached the  
market place a youth standing on a house top cried he is a madman i looked up  
to behold him the sun kissed my own naked face for the first time for the first time  
the sun kissed my own naked face and my soul was inflamed with love for the  
sun and i wanted my masks no more and as if in a trance i cried blessed blessed  
are the thieves who stole my masks thus i became a madman and i have found  
both freedom of loneliness and the safety from being understood for those who  
understand us enslave something in us but let me not be too proud of my safety  
even a thief in a jail is safe from another thief
