Brunswick Troops in North America, 1776-1783

1997

a listing of hessian soldiers who remained in america after the revolutionl

Index of Names of the Braunschweig Corps who Remained in America 1776-1783

1976

tarrago goes back to 1776 when the thirteen rebel english colonies in north america sought the help of the spanish crown a selective bibliography including many printed primary sources as well as monographs and journal articles

Early U.S.-Hispanic Relations, 1776-1860

1994

by 1781 the sixth year of the american rebellion british strategic focus had shifted from the northern states to concentrate in the south canada s governor frederick haldimand was responsible for the defence of the crown s largest colony against the threat of franco american invasion while assisting overall british strategy he cleverly employed his sparse resources to vigorously raid the rebels frontiers and create anxiety disruption and deprivation as his secret service undermined their morale with invasion rumours and threatened their union by negotiating with the independent republic of vermont to return to the british fold haldimand flooded new york s mohawk and schoharie valleys with indian and loyalist raiders and once the danger of invasion passed he dispatched two coordinated expeditions south one was launched onto lake champlain to alarm albany and further the secret talks with vermont the second struck deep into enemy territory fought a battle at johnstown and retreated precipitately the rebels effectively countered both expeditions

Index, The Papers of the Continental Congress, 1774-1789: Aachen - East Twinsey

1978

kantor writes from the perspective of a traditional jew covering events such as the flood giving of the torah and the fall of the tower of babel placing these within the chronology of history along with the spanish inquisition the holocaust and the founding of the state of israel

2009-04-06

how does a popular uprising transform itself from the disorder of revolution into a legal system that carries out the daily administration required to govern americans faced this question during the revolution as colonial legal structures collapsed under the period s disorder yet by the end of the war americans managed to rebuild their courts and legislatures imbuing such institutions with an authority that was widely respected this remarkable transformation came about in unexpected ways howard pashman here studies the surprising role played by property redistribution seizing it from loyalists and transferring it to supporters of independence in the reconstruction of legal order during the revolutionary war building a revolutionary state looks closely at one state new york to understand the broader question of how legal structures emerged from an insurgency by examining law as new yorkers experienced it in daily life during the war pashman reconstructs a world of revolutionary law that prevailed during america s transition to independence in doing so pashman explores a central paradox of the revolutionary era aggressive enforcement of partisan property rules actually had stabilizing effects that allowed insurgents to build legal institutions that enjoyed popular support tracing the transformation from revolutionary disorder to legal order building a new revolutionary state gives us a radically fresh way to understand the emergence of new states
