

## Ebook free Lanterns on the levee recollections of a planters son (2023)

robert stafford of cumberland island offers a rare glimpse into the life and times of a nineteenth century planter on one of georgia s sea islands born poor robert stafford 1790 1877 became the leading planter on his native cumberland island specializing in the highly valued long staple variety of cotton he claimed among his assets more than 8 000 acres and 350 slaves mary r bullard recounts stafford s life in the context of how events from the federalist period to the civil war to reconstruction affected sea island planters as she discusses stafford s associations with other planters his business dealings which included banking and railroad investments and the day to day operation of his plantation bullard also imparts a wealth of information about cotton farming methods plantation life and material culture and the geography and natural history of cumberland island stafford s career was fairly typical for his time and place his personal life was not he never married but fathered six children by elizabeth bernardey a mulatto slave nurse bullard s discussion of stafford s decision to move his family to groton connecticut and freedom before the civil war illuminates the complex interplay between southern notions of personal honor the staunch independent mindedness of sea island planters and the practice and theory of racial separation in her afterword to the brown thrasher edition bullard presents recently uncovered information about a second extralegal family of robert stafford as well as additional information about elizabeth bernardey s children and the trust funds stafford provided for them through a collection of letters written to his best friend and to his father in england and from his own personal diary entries john dodd s memoir offers a fascinating and amusing glimpse of life as a colonial rubber planter with true stories and confessions that would make even somerset maugham blush we discover what life was really like for young colonial planters in late 1950s malaya increasing daily rubber output may have been their goal but for the young planters the bigger picture of chasing girls and finding a keep was of much greater importance but life was more than just a series of stengahs in the clubhouse dalliances in the chinese brothels of penang and charming pillow dictionaries there were strikes riots snakes plantation fires and deadly ambushes by communist terrorists to contend with set against the backdrop of the emergency period the rise of nationalism and malaya s subsequent independence a company of planters is a very personal moving and humorous account of one man s experiences on the frequently isolated rubber plantations of colonial malaya jonathan bryan 1708 88 rose from the obscurity of the southern frontier to become one of colonial georgia s richest most powerful men along the way he made such influential friends as george whitefield and james oglethorpe bryan s contemporaries in terms of their large holdings of land and slaves were markedly traditional and conservative as alan gallay shows bryan was different paternalistic and relatively open minded bryan contemplated religious social political and economic ideas that other planters refused to consider of equal importance he explored the geographic areas that lay beyond the reach and understanding of his contemporaries through the career of a remarkable individual which spanned the founding of georgia the revolution and the birth of the new republic gallay chronicles the rise of the plantation slavery system in the colonial south through a collection of letters written to his best friend and to his father in england and from his own personal diary entries john dodd s memoir offers a fascinating and amusing glimpse of life as a colonial rubber planter with true stories and confessions that would make even somerset maugham blush we discover what life was really like for young colonial planters in late 1950s malaya increasing daily rubber output may have been their goal but for the young planters the bigger picture of chasing girls and finding a keep was of much greater importance but life was more than just a series of stengahs in the clubhouse dalliances in the chinese brothels of penang and charming pillow dictionaries there were strikes riots snakes plantation fires and deadly ambushes by communist terrorists to contend with set against the backdrop of the emergency period the rise of nationalism and malaya s subsequent independence a company of planters is a very personal moving and humorous account of one man s experiences on the frequently isolated rubber plantations of colonial malaya this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work a refined and remarkably well educated woman maria bryan began corresponding with her sister when she was sixteen years old as carol bleaser points out in her introduction bryan travels reads the popular books of the day entertains visitors and makes social calls at the same time however notes bleaser bryan s letters belie popular notions about the privileged lives of typical planters daughters in the antebellum south for she also works at housekeeping tends the sick at home and in the neighborhood makes clothes for the family s slaves and tutors younger siblings this work has been selected by scholars as being culturally important and is part of the knowledge

believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant courageous and daring this work documents the reality that political solidarity forged in struggle can exist across difference bell hooks this fascinating story of a dutch reformed mission among the karo of north sumatra chronicles the field s first fifteen years 1889 1904 plantation executives sponsored the mission hoping to enlist the karo as christian allies in a colonial war against muslim fanatics but the karo hated the plantations and likewise distrusted and resisted the missionaries civil servants saw the mission as a forerunner of the government s annexation of the sumatran highlands and in the military expedition to take the region the missionaries played a prominent role consequently the missionaries found their credibility diminished by their links to the despised colonial apparatus nonetheless the missionaries motives were religious and they struggled with the compromises that made their work possible yet ultimately precluded its success unlike other missionary studies that focus on biography or on large regions this historical ethnography concentrates on a single field and on the personalities and activities of the several men who pioneered it in its formative years it examines the missionaries assumptions and values describe how the missionaries contrasted themselves with the government and capitalist business and explores the difficulties of translating christianity across a great cultural gulf the early years of a dutch colonial mission will give pause to anyone who has thought missionaries heroic or to anyone who has thought them misled in the enslaved and their enslavers edward pearson offers a sweeping history of slavery in south carolina from british settlement in 1670 to the dawn of the civil war for enslaved peoples the shape of their daily lives depended primarily on the particular environment in which they lived and worked and pearson examines three distinctive settings in the province the extensive rice and indigo plantations of the coastal plain the streets workshops and wharves of charleston and the farms and estates of the upcountry in doing so he provides a fine grained analysis of how enslaved laborers interacted with their enslavers in the workplace and other locations where they encountered one another as plantation agriculture came to dominate the colony the enslaved and their enslavers sets this portrait of early south carolina against broader political events economic developments and social trends that also shaped the development of slavery in the region for example the outbreak of the american revolution and the subsequent war against the british in the 1770s and early 1780s as well as the french and haitian revolutions all had a profound impact on the institution s development both in terms of what enslaved people drew from these events and how their enslavers responded to them throughout south carolina s long history enslaved people never accepted their enslavement passively and regularly demonstrated their fundamental opposition to the institution by engaging in acts of resistance which ranged from vandalism to arson to escape and on rare occasions organizing collectively against their oppression their attempts to subvert the institution in which they were held captive not only resulted in slaveowners tightening formal and informal mechanisms of control but also generated new forms of thinking about race and slavery among whites that eventually mutated into pro slavery ideology and the myth of southern exceptionalism this exciting reinterpretation of the path to revolution follows virginia planters attempts to break with england and shows how their grassroots effort at self sufficiency solidified into political resistance war and independence reprint of the original first published in 1871 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost a library journal best crafts diy book of 2015 incorporating concrete design into a home garden can now be easily achieved by any do it yourself enthusiast concrete

~~furniture and containers add style and personality to outdoor spaces and the addition of color makes these objects even more eye catching these trendy pieces can~~  
cost thousands of dollars at garden centers and furniture stores but they can also be made affordably at home in this hands on guide concrete artisans nathan smith and michael snyder offer basic information on how to mix concrete and add color using dyes paints and inlaid materials the twenty step by step projects include small items like a candle holder with an old world feel and a simple stacked ring planter and larger pieces like an elegant bike rack and a beautiful fire pit that is the perfect gathering place for friends and family samuel johnson s dictionary published in 1755 marked a milestone in a language in desperate need of standards no english dictionary before it had devoted so much space to everyday words been so thorough in its definitions or illustrated usage by quoting from shakespeare and other great writers johnson s was the dictionary used by jane austen and charles dickens wordsworth and coleridge the brontës and the brownings thomas hardy and oscar wilde this new edition edited by david crystal will contain a selection from the original offering memorable passages on subjects ranging from books and critics to dreams and ethics when george marly arrives in jamaica in 1816 his only ambition is to recover his inheritance but before long he falls in love with the daughter of simon mcfathom will marly be able to win back his grandfather s plantation of happy fortune and secure the hand of miss mcfathom
