## **my lab conducted a study on preschool girls what we *Oct 10 2022***

our study concluded that gender differences related to  
how much emphasis we place on beauty likely start in  
preschool while girls around the world have long been  
taught that beauty is of utmost importance  
conversations with other gender development experts  
point to the early 2000s as a pivotal period when a new  
girlie girl culture emerged
