the premier source for journalists now revised and updated for 2015 does the white house tweet or does the white house post on twitter can text be a verb and also a noun when should you link for anyone who writes short stories or business plans book reports or news articles knotty choices of spelling grammar punctuation and meaning lurk in every line lay or lie who or whom that or which is band aid still a trademark it s enough to send you in search of a martini or is that a martini now everyone can find answers to these and thousands of other questions in the handy alphabetical guide used by the writers and editors of the world s most authoritative news organization the guidelines to hyphenation punctuation capitalization and spelling are crisp and compact created for instant reference in the rush of daily deadlines the 2015 edition is a revised and condensed version of the classic guide updated with solutions to problems that plague writers in the internet age how to cite links and blogs how to handle tweets hashtags and other social media content how to use current terms like transgender or to choose thoughtfully between same sex marriage and gay marriage with wry wit the authors have created an essential and entertaining reference tool

#### **English Translation Style Guide for European Union**

2015-04-02

this style guide is intended primarily for english language authors and translators both in house and freelance working for the european commission but now that so many texts in and around the eu institutions are drafted in english by native and non native speakers alike its rules reminders and handy references aim to serve a wider readership as well the guide is divided into two clearly distinct parts the first dealing with linguistic conventions applicable in all contexts and the second with the workings of the european union and with how those workings are expressed and reflected in english this should not be taken to imply that eu english is different from real english it is simply a reflection of the fact that the european union as a unique body has had to invent a terminology to describe itself however the overriding aim in both parts of the guide is to facilitate and encourage the writing of clear and reader friendly english

# Translation Style Guide for European Union Member States

2015-04-09

this guide is a companion to the english translation style guide for european union for each eu member state plus two candidate countries the guide provides english terms and translations most of the individual country sections contain a general introduction and parts

on geography judicial bodies and legal instruments the guide shows terms in the original language on the left and suggested english translations on the right general guidance on the translation of geographical names illustrated by specific examples can also be found in the english translation style guide for european union the translations are based on nuts the eu s nomenclature of territorial units for statistics however the nuts regions when referred to as such are not translated

# The Diversity Style Guide

2019-01-14

new diversity style guide helps journalists write with authority and accuracy about a complex multicultural world a companion to the online resource of the same name the diversity style guide raises the consciousness of journalists who strive to be accurate based on studies news reports and style guides as well as interviews with more than 50 journalists and experts it offers the best most up to date advice on writing about underrepresented and often misrepresented groups addressing such thorny questions as whether the words black and white should be capitalized when referring to race and which pronouns to use for people who don t identify as male or female the book helps readers navigate the minefield of names terms labels and colloquialisms that come with living in a diverse society the diversity style guide comes in two parts part one offers enlightening chapters on why is diversity so important implicit bias black americans native people hispanics and latinos asian americans and pacific islanders arab americans and muslim americans immigrants and immigration gender identity and sexual orientation people with disabilities gender equality in the news media mental illness substance abuse and suicide and diversity and inclusion in a changing industry part two includes diversity and inclusion activities and an a z guide with more than 500 terms this guide helps journalists journalism students and other media writers better understand the context behind hot button words so they can report with confidence and sensitivity explores the subtle and not so subtle ways that certain words can alienate a source or infuriate a reader provides writers with an understanding that diversity in journalism is about accuracy and truth not political correctness brings together guidance from more than 20 organizations and style guides into a single handy reference book the diversity style guide is first and foremost a guide for journalists but it is also an important resource for journalism and writing instructors as well as other media professionals in addition it will appeal to those in other fields looking to make informed choices in their word usage and their personal interactions

the esl writer s handbook is a reference work for esl students who are taking college level courses because its purpose is to provide help with the broad variety of writing questions students may have when working on school assignments the text focuses on english for academic purposes unlike other handbooks on the market this book s sole purpose is to

address the issues of second language learners the spiral bound handbook complements a student writer s dictionary thesaurus and grammar reference book it would be suitable as a text for an advanced esl writing course when used together with the companion workbook 978 0 472 03726 1 the new edition features significant revisions to sections 3 and 4 in particular both apa and mla style guides have been updated and new sample papers for each are included the new edition includes new and revised exercises and many new samples of student writing like its predecessor the 2nd edition has these special features the topic selection is based on esl writers needs as observed by the authors over many years the coverage of topics is more complete than the limited amount usually provided for esl writers in first language or 11 handbooks the explanatory language is appropriate for esl students in contrast to the more complex and idiomatic language of other english handbooks many of the examples of paragraphs essays research papers and exercise sentences were written by esl students to help users realize that they too can become effective writers
