this book presents twenty principles that are deeply rooted in common sense and compassion the topics range from attitudes about money and understanding the real meaning of success to the importance of having fun

## **Life's Greatest Lesson**

2013-11-15

something is missing you are not whole just yet what if you had a need in your life that turned out to be the greatest need of all a need that you unexpectedly discovered almost by accident what if that need when satisfied grew into the most deeply rewarding aspect of your life you do have such a need and when you satisfy this need your life will be transformed in ways you could never imagine you will never have to worry about ending your life like ebenezer scrooge

full of bitterness and regret because you will have found the cure for selfishness for anxiety for sluggishness and even for anger that transformation will propel you toward becoming the best version of yourself best of all you will lead a life full of love you will have discovered life s greatest lesson this book and the parable allen hunt shares in it will show you how to get the most out of your life how to return to the grace of who you really are

## ***Sometimes You Win--Sometimes You Learn***

1 new york times bestselling author john c maxwell believes that any setback whether professional or personal can be turned into a step forward when you possess the right tools to turn a loss into a gain drawing on nearly fifty years of leadership experience dr maxwell provides a roadmap for winning by examining the eleven elements that constitute the

and losses 1 humility the spirit of learning 2 reality the foundation of learning 3 responsibility the first step of learning 4 improvement the focus of learning 5 hope the motivation of learning 6 teachability the pathway of learning 7 adversity the catalyst of learning 8 problems the opportunities of learning 9 bad experiences the perspective for learning 10 change the price of learning 11 maturity the value of learning learning is not easy during down times it takes discipline to do the right thing when something goes wrong as john maxwell often points out experience isn't the best teacher evaluated experience is

## ***The Race***

2004-06-01

an illustrated poem this is the heart wrenching story of a boy in a footrace hoping to win but falling again and again each time he wants to give up knowing pace by pace that he has

lost any chance of winning and that his dad watching from a distance will be disappointed but each time he gets back up and runs as hard as he can for in his heart he can hear the voice of his dad you haven't lost at all for winning is no more than this to rise each time you fall as the boy finishes the race the crowd cheers as loudly for him as for the winner and his father's proud look is his true reward

## The Priority List

in this poignant and inspiring memoir a beloved high school english teacher with terminal brain cancer undertakes a cross country journey to reunite with his former students in order to find out if he made a difference in their lives discovering along the way what is truly important in life based on a beloved teacher's most popular lesson the priority list is a bold inspirational story of learning love and legacy that challenges us to ask what truly matters in life david

menasche lived for his work as a high school english teacher his passion inspired his students and between lessons on shakespeare and sentence structure he forged a unique bond with his kids buoying them through personal struggles while sharing valuable life lessons when a six year battle with brain cancer ultimately stole david s vision memory mobility and most tragically of all his ability to continue teaching he was devastated by the thought that he would no longer have the chance to impact his students lives each day but teaching is something menasche just couldn t quit undaunted by the difficult road ahead of him he decided to end his treatments and make life his classroom cancer had robbed him of his past and would most certainly take his future he wouldn t allow it to steal his present he turned to facebook with an audacious plan a journey across america by bus by train by red tipped cane in hopes of seeing firsthand how his kids were faring in life had he made a difference within forty eight hours of posting former students in more than fifty cities replied with offers of support and shelter traveling more than

eight thousand miles from miami to new york to america s heartland and san francisco s golden gate and visiting hundreds of his students david s fearless journey explores the things we all want and need out of life family security independence love adventure and forces us to stop to consider our own priority list
