pragues old town and historical sights the west bohemian spa region and the mountainous areas of the north and southwest are all explored in detail in this guide to a corner of europe where west meets east czechoslovakia has captured the nation s imagination throughout the twentieth century the allied betrayal of the country to nazi germany in 1938 was to demonstrate the appalling consequences of naive appeasement of aggression the wholesale reform of soviet communism in the prague spring of 1968 won western support and sympathy when it was crushed by warsaw pact tanks the fierce communist regime thereafter was brought down almost magically in 1989 czechoslovakia added to the international political vocabulary the term velvet revolution and the velvet metaphor has characterised much of the country s path breaking postcommunist transformation and its peaceful break up in 1993 in separate chapters on history politics economics foreign relations and the new czech identity this book not only applauds the successes of the czech republic since 1993 but also uncovers the frayed edges of the velvet nation the czech republic is one of the newest countries in the world it s also new to the eu it joined in 2004 people have lived in what we now call the czech republic for thousands of years however this land has a long history and is moving forward while dealing with challenges like the recent global recession discover more about this exciting modern nation looks at the history of the borders in the czech republic as a result of political territorial and economic disputes and discusses the velvet revolution colorful introduction to the people and history of the czech republic lonely planet prague the czech republic is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you count statues on charles bridge marvel at the renaissance splendour of bohemian town cesky krumlov or explore prague s old town all with your trusted travel companion czechoslovakia has been at the center of some of the most difficult and tragic episodes of modern european history its sacrifice to nazi germany at munich the communist coup of 1948 and the military crushing of the prague spring it has also enacted momentous change almost magically as in the peaceful overthrow of communism in 1989 and then the negotiated end to the country in 1992 czechoslovak history has consequently produced enduring political metaphors for our times such as the velvet revolution and velvet divorce the second edition of the historical dictionary of the czech state has been thoroughly updated and greatly expanded featuring a chronology introductory essay appendix bibliography and hundreds of cross referenced dictionary entries this detailed authoritative reference provides understandings of the czechs as a people the territory they inhabit their social cultural political and economic developments throughout history and interactions with their neighbors and the wider world welcome to the czech republic there is much to see in this beautiful country from the sprawling expanse of bohemian switzerland national park to the cultural attractions in historic prague through fact filled text and colorful photos this engaging title takes young readers on a journey to see it all readers will explore the country s landscape wildlife traditions and day to day life along the way special features show off native animals introduce popular foods teach basic czech phrases and more this title is sure to inspire readers to explore the world chronicles the history of the czech republic and explores daily life politics and the many challenges facing the country since the decline of communism and the emergence of democracy czech republic how to invest start and run profitable business in the czech republic guide practical information opportunities contacts the book focuses on the description and analysis of the historical formation of the czechoslovak and czech positions in the international system during the course of the 20th century the first part of the book presents a brief outline of the history of czechoslovak foreign policy between the first world war and the end of the cold war the authors focus on the key periods and turning

points in the role of the small central european state in the international system as well as on the significant actors formulating czechoslovak foreign policy from the inside and influencing it from the outside the second analytical part of the book focuses on the key issues connected to the change of the position of czechoslovakia and the czech republic after 1993 in world politics and on the formulation of czech foreign policy priorities and strategies in the globalized world after the end of bipolar confrontation the authors analytically investigate the activities of the czech republic in central european regional integration processes and the integration of the state in the global system of development cooperation a great deal of attention is paid to the key political actors of the czech foreign policy discussion and their impact on the formulation of foreign policy goals special attention is paid to the dilemmas of czech foreign policy the hesitation between the role of a small state and a medium power and also the span of czech foreign policy between atlanticism anti americanism and europeanization the rough guide to czech republic is the ultimate travel guide with detailed coverage of all the best attractions the czech republic has to offer discover the magnificent art galleries and museums in the czech republic visit one of the czech republic s world class concerts or festivals view prague s spectacular architecture on a walking tour or taste the flavours of czech cuisine while exploring all the corners of the enchanting czech republic with clear maps and stunning photography fully updated and expanded with descriptions and recommendations of the best hotels in czech republic and the best restaurants and bars throughout the czech republic whether you re looking for expert tips for exploring the czech republic s varied landscapes an authoritative background on the history of the czech republic or the low down on the czech republic s sensational festivals the rough guide to czech republic is the definitive guide to this enchanting region make the most of your holiday with the rough guide to the czech republic developed by literacy experts for students this book introduces young readers to the geography and culture of the czech republic this selected issues paper investigates the direct and indirect exposure of the czech republic to these external risks the czech republic is a small open economy that has become increasingly reliant on export driven growth over the last three decades domestic value added in foreign exports as a share of gross exports in the czech republic is higher than the average share of the european union 28 services have a relatively low contribution to value added in gross exports given the high integration of the czech republic into global value chains it is crucial to take supply chain linkages into account when assessing the impact of trade shocks the exposure to germany is even more pronounced at the sectoral level manufacturing of machinery and transportation vehicles account for a large share of exports and imports in the czech republic although the impact of the us china trade disputes on the czech republic would likely be limited a hard brexit scenario or lower demand in germany could have sizable effects most entries of this revised edition are new as so much has been recently published on czech affairs all aspects of the country are covered in selective critical annotations of pre eminently english language publications making this an invaluable reference work for scholars students and the general reader alike collection of essays writtem during arguably the most remarkable decade of hte 20th century when communism fell throughout the soviet empire and was replaced by free and market oriented nations when ladislav holy precipitately left czechoslovakia for the uk in 1968 he was already one of the leading anthropologists in central europe in the following decades he made important field studies in africa since 1986 he has been engaged in research in the czech republic and he brings to this timely study of national identity the skills of a seasoned researcher a cosmopolitan perspective and the insights of an insider drawing on historical and literary sources as well as ethnography he analyses czech discourses on national identity he argues that there were specifically czech aspects to the communist regime and to the velvet revolution and paying particular attention to symbolic representations of what it means to be czech he explores how notions of czech identity were involved in the debates surrounding the fall of communism and the emergence of a new social system presents the natural environment and resources people and culture and business and economy of the czech republic focusing on development and change in recent years presenting a thorough examination of critical aspects of twentieth century history this book explores how the events of the twentieth century still cast a shadow over relations between germany poland and the czech republic

this book examines the relationship between the czech republic and the european union eu the authors examine the czech republic s road to eu membership in 2004 and assess how eu accession has affected or changed the czech republic including its domestic politics governing institutions and public policies it also examines how the czech republic has behaved as an eu member state addressing the questions what are the czech republic s interests in the eu and how has it sought to influence eu policymaking how have czech interests and behaviour been shaped by the country s position as a new member state a small member state a relatively poor member state and a post communist member state the book also addresses the czech republic s preparations for assuming the eu presidency in january 2009 and evaluates the actual conduct of the presidency although a case study of a single member state this book sheds light on a number of broader points or issues pertaining to the eu and its member states it contributes to academic debate and knowledge about the eu and european integration including the debates on europeanization and the role of small states in the eu this book will of interest to students and scholars of the european union european politics and post communist politics annotation fully colour illustrated travel guides packed with information on the history and culture of a destination the czech republic and economic transition in eastern europe is the first in depth comparative analysis of the czech republic s economic transition after the fall of the communist bloc edited by jan svejnar a principal architect of the czech economic transformation and economic advisor to president vaclav havel the book poses important questions about the republic and its partners in central and eastern europe the thirty five essayists describe the country s macroeconomic performance its development of capital markets the structure and performance of its industries its unemployment household behavior and income distribution and the environmental and health issues it faces in this in depth comparative analysis of the czech republic s economic transition an international team of thirty five economists examine the republic and its partners in central and eastern europe important questions and issues permeate the essays for example prior to 1939 the czech republic possessed the most advanced economy in the region is it capable of reestablishing its dominance relative to its neighbors the republic ranks especially high on some transition related performance indicators but low on others what economic effects are related to the 1993 dissolution of the czech and slovak governments and what can be learned by comparing the economic outcomes of two countries that shared legal and institutional frameworks data describe the country s macroeconomic performance its development of capital markets the structure and performance of its industries its unemployment household behavior and income distribution and the environmental and health issues facing it its most important contributions are its clarifications of the transition process the authors included in transforming czechoslovakia combine the best available data and techniques of economic analysis to assess the replacement of the inefficient but internally consistent central planning system with a more efficient market system these authors among whom are central european economic analysts senior u s economists and czechoslovakian professors and economic researchers discuss the country s macroeconomic performance its development of capital markets the structure and performance of its industries its unemployment household behavior and income distribution and the environmental and health issues facing it the essays vary between presentations of history and policy and technical examinations of data together they offer the most comprehensive and detailed assessment of the country s economic transformation in print this book is important because its essayists compile results and reach conclusions that are broad and credible the empirical data were gathered on the ground and have been subjected to advanced methodologies including game theory industrial organization and granger sims causality discusses the traditions culture religion media literature and arts of the czech republic and slovakia travel journal czech republic this travel journal with 120 pages is the perfect companion for your next travel you can write down every experiences you make and bring all the adventures you made on your vacation on paper packing list fill in place date and more daily rating of your experiences up to 120 days softcover czech republic workbook for those who are proud of their bohemian heritage and who want to show support for the czech republic school shows the coat of arms of bohemia this selected issues paper on the czech republic discusses issues relating to the enterprise sector and

corporate governance this includes an overview and assessment of enterprise performance along with a discussion of the concept of corporate governance and its application in the czech republic including how corporate governance practices compare in an international context the paper discusses issues related to financial sector performance and restructuring it also takes stock of banking sector developments and performance and reviews financial policy and supervisory challenges including the definition of policies for bank privatization and the appropriate prudential framework don't just see the sights get to know the people many tourists visit the czech republic knowing no more about it than that the beer is cheap and the women beautiful that lack of knowledge has led to frustration among czechs most of whom are very well informed about the world around them culture smart czech republic informs you about the traditions values and attitudes of a remarkable people it describes czech life at home and in the workplace and offers practical advice on what to expect and how to navigate different social situations the real rewards will come to the visitor who goes beyond the reserve to explore the complex corners of the czech soul have a richer and more meaningful experience abroad through a better understanding of the local culture chapters on history values attitudes and traditions will help you to better understand your hosts while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas policy analysis in the czech republic is a vital addition to the international library of policy analysis series it is not only the first comprehensive overview of the historical development and current state of policy analysis in the czech republic but also in the post communist central and eastern european region as such it provides a unique picture of policy analysis that in many respects profoundly differs from western policy analysis textbooks written by leading experts in the field including practitioners it outlines the historical development of policy analysis identifies its role in academic education and research and examines its varying styles and methods this unique book offers indispensable reading for researchers policy makers and students growth is gaining momentum led by strong external demand while domestic demand is also picking up the central bank's foreign exchange intervention policy has helped stem deflationary pressures but inflation is still well below target following substantial fiscal adjustment over the past three years an easing of the fiscal stance is underway and the new government's medium term fiscal plans have not yet been fully elaborated the financial system is sound and resilient to shocks and improvements in the regulatory and supervisory architecture are ongoing the challenge for the authorities is to create the conditions for strong and sustainable growth while maintaining macroeconomic stability
