The Israelite Samaritan Version of the Torah 2013-04-26 this landmark volume presents the first ever english translation of the ancient israelite samaritan version of the pentateuch or torah a text of growing interest and importance in the field of biblical studies the samaritan pentateuch preserves a version of the hebrew text distinct from the traditional masoretic text that underlies modern bible translations benyamim tzedaka s expert english translation of the samaritan pentateuch is here laid out parallel to the more familiar masoretic text highlighting the more than 6 000 differences between the two versions in addition to extensive explanatory notes in the margins throughout the book s detailed appendices show affinities between the samaritan and septuagint versions and between the samaritan and dead sea scroll texts concluding the volume is a categorical name index containing a wealth of comparative information

A Complete Concordance to the Revised Version of the New Testament 1882 this volume includes scrivener s introduction to the cambridge paragraph bible of 1873 with some additions and corrections the result of seven years of labor this was an original attempt to construct a critical edition of the authorized bible of 1611

Specimen of a New Version of the Hebrew Bible, Translated from the Original Text, and Comprising Selected Chapters of the Various Prophetical and Hagiographical Books 1836 reprint of the original first published in 1843

The Authorized Version of the English Bible (1611) 2004-04-01 the medieval poem cursor mundi is a biblical verse account of the history of the world offering a chronological overview of salvation history from creation to doomsday originating in northern england around the year 1300 the poem was frequently copied in the north before appearing in a southern version in substantially altered form although it is a storehouse of popular medieval biblical lore and a fascinating study in the eclectic use of more than a dozen sources the poem has until now attracted little scholarly attention this five part collaborative edition presents the arundel version of the poem with variants from three others in addition it provides a discussion of sources and analogues detailed explanatory notes and a bibliography published in english

The Antient Syriac Version of the Epistles of St. Ignatius to St. Polycarp, the Ephesians, and the Romans 1845 pioneering examination of the old english version of bede s historia ecclesiastica and its reception in the middle ages from a theoretically informed multi disciplinary perspective the first full length study of the old english version of bede s masterwork dealing with one of the most important texts to survive from anglo saxon england the subjects treated range from a detailed analysis of the manuscripts and the medieval use of them to a very satisfying conclusion that summarizes all the major issues related to the work giving a compelling summary of the value and importance of this independent creation dr rowley convincingly argues that the old english version is not an inferior imitation of bede s work but represents an intelligent reworking of the text for a later generation an exhaustive study and a major scholarly contribution george hardin brown professor of english emeritus stanford university the old english version of bede s historia ecclesiastica gentis anglorum is one of the earliest and most substantial surviving works of old english prose translated anonymously around the end of the ninth or beginning of the tenth century the text which is substantially shorter than bede s original was well known and actively used in medieval england and was highly influential however despite its importance it has been little studied in this first book on the subject the author places the work in its manuscript context arguing that the text was an independent ecclesiastical translation thoughtfully revised for its new audience rather than looking back on the age of bede from the perspective of a king centralizing power and building a community by recalling a glorious english past the old english version of bede s historia transforms its source to focus on local history key anglo saxon saints and their miracles the author argues that its reading reflects an ecclesiastical setting more than a political one with uses more hagiographical than royal and that rather than being used as a class book or crib it functioned as a resource for vernacular preaching as a corpus of vernacular saints lives for oral performance and episcopal authority sharon m rowley is associate professor of english at christopher newport university

The Palestinian Syriac Version of the Holy Scriptures 1897 a grammatical textbook for the pali language with burmese and sinhalese script alongside the romanization this edition offers a combination of the new 2015 and the old 1868 with some eccentric digressions into the ashokan inscriptions theories of the history and origins of the language and anecdotes from an era when european archaeology and scholarship were re discovering theravada buddhist philosophy mason s approach to the language is based in the ancient grammar of kaccāyana and reflects the first pioneering attempts of europeans to explain the language to a western audience often making comparisons to latin greek and sanskrit this can be used in conjunction with the three other free pdf textbooks for the pali language available for download at pali pratyeka org
