as disappointing and difficult as your incarceration may be there is always hope and a spiritual solution in your desperation take time to be still put your anxieties to rest and draw close to god he is very near and will meet you at your point of need this book will help you discover that the god of all comfort is near to the brokenhearted and discouraged god will turn your despair into hope your darkness into light and your doubts into faith what other prisoners have written about prayers by a prisoner price puts our deepest questions about walking with god through this darkness into perspective every prisoner must read this book jason chapman federal prisoner i ve been arrested forty nine times and have read many books in jail and prison i ve read this book three times already and i feel like i need to read it again and again this book on prayer helped me understand that god loves me no matter what i ve done terry buck federal prisoner after struggling with years of depression bad decisions and lots of prison time chapter twelve has changed my entire thought process if you read nothing else read chapter twelve chapters fourteen and fifteen are very powerful too david mc nutt after over thirty arrests and being in and out of jail since i was thirteen this book helped me finally understand why i am making so many impulsive and irrational decisions i did not understand that god loved me this way my life is now being transformed johnny hill federal prisoner from the introduction i want to explain that i am a fellow struggler in christ i am not infallible and thankfully i have abandoned the god complex my flaws and mistakes are obvious and i say along with the apostle paul that i am the chief of all sinners this book is not about any extra ordinary knowledge or insight that i have attained it is simply about the practices and habits that god has led me to develop to make the most of my time in prison and the remainder of my life i am a learner an avid reader and a lifelong student of contemplative prayer i am always asking god to make the necessary changes that he knows i need to implement in order for me to conform to the image of christ just because i am a christian does not mean i am without troubles pain and suffering we all know the

affliction and darkness we experience in prison we have been through the inhumane harsh and brutal process of eternal condemnation we are alienated isolated and despised by society our names have become a reproach the odds of any kind of comeback are stacked against us the world looks upon us as pariah and with contempt many of us are rejected and forsaken and we wrestle with feelings of deep loneliness abandonment and overwhelming regret we wonder if there is any hope the good news is that jesus repeatedly gave dignity back to the despised others may look at us with scorn but jesus makes us human again here is the bottom line god knows every thought we have ever had every step we ve ever taken and every word we ve ever spoken he knows the intentions of our hearts he knows all the things we ve seen and done that make us want to run hide and even die and yet he still loves us jesus is a friend and lover of sinners like you and me and there is nothing we can do to make him stop loving us he meets us where we are he disciplines and corrects us when necessary he forgives our past he overwhelms us with his love and he gives us an eternal home in heaven nothing can separate us from his infinite love because of this we can say along with the psalmist i will not die but live and tell of the works of the lord the lord has disciplined me severely but he has not given me over to death psalm 118 17 19 included as a supplement is a five chapter preview of my memoir hope is not my enemy which details my life story and the failure of my securities business and mbt bank

letters written under difficult circumstances are writings that reveal what is most important to the writer pauls prison letters are no exception they show the depth of his spiritual understanding in particular he reveals his deep appreciation of who jesus christ is in the opening chapter of ephesians and in the christ hymns of philippians 2 and colossians 1 as is customary with paul we read first about the doctrinal foundations of our faith once the doctrinal foundation has been taught we move to the practical outworking of the truths this truth is not so that we have a head knowledge of the faith but is something intended to change our behaviour in ephesians paul discusses our position in christ that we are seated in heavenly places in him as the basis for our christian walk and warfare in philippians two words or word groups are prominent joy and mind christians are to have the same mind as christ earnestly following his example it is for good reason that paul says let this mind be in you which was also in christ jesus then we can rejoice in the lord colossians teaches that following a set of rules is not the way to follow christ while the letter to philemon is a plea on behalf of a converted slave

the imitation of saint paul takes us behind the headlines of his career and offers a fresh compelling contemporary look at the man who changed the world when the exemplary apostle got into the face of his converts he bluntly held up his own life as the pattern for theirs how risky is that the purpose of this readable work with a modern twist is to discover how paul viewed his divine commission and how he managed to survive incredible obstacles and hardships that threatened to undo him what elements in the apostle s life made him the man he was how does his life become the format of ours what changes can we make to follow in his footsteps this work serves as both an introduction to the apostle for those new to the christian faith and as a healthy reminder for those who want to go deeper in their obedience to and service for christ
