Monthly Catalog of United States Government Publications 1894 four sweet regency romances from a bestselling author a rake s redemption her brother s best friend might be a rake but she s about to be his ruin claire is the dutiful proper cleveland sister and the only one who s not embroiled in a scandal until now with her sister s marriage to an earl the weight of responsibility to save her family has been lifted from her shoulders and for the first time in her life claire is free a rebelliousness she s long denied has her acting out in ways she would never have

imagined like chasing her brother through the dark streets of london and kissing her brother s best friend and notorious rake lord nicholas a duke s distraction he s looking for a duchess she s looking for well anyone but him georgie cleveland is well aware that true love exists she may have even found it in the handsome young gentleman she s set her sights on unfortunately her rival has the same designs on society s most sought after poet now georgie is forced to go to extremes to catch his eye she could make him jealous for example by feigning interest in her sister s brother in law the duke of roxborough it is all for show of course roxborough is far too dull for her tastes so boring so stodgy yet such a surprisingly passionate kisser a gentleman s gamble eliza may never forgive the man who nearly ruined her sister but that doesn t mean she can t marry him eliza beucraft is in a pickle she d thought she d successfully avoided marriage altogether but her father has other ideas unless she wants to be stuck with the cruel gentleman of her father s choosing she must find her own husband preferably one who needs her dowry and is willing to take a risk on her admittedly ludicrous plan there s only one man who comes to mind a man she despises after his devilish deeds two years ago but one who she knows cannot resist a wager now if only she can remember that his kisses aren t real and that this marriage is only for show a lady s luck henri lives to uncover secrets but this man has everything to hide lady henrietta bloomfield has built a fortune gambling on the utterly predictable foibles of her peers when her latest wager fails thanks to the stodgy earl of colefax and his surprisingly rash behavior she s more intrigued than disappointed it seems there s more to the upright earl than meets the eye and henri makes it her mission to discover who he really is the more she gets to know the real alistair with his dark passion and his mysterious missions the more she finds him utterly irresistibly appealing and what she feels when he holds her in his arms that s enough to make her doubt her sanity no rational woman should lose her heart to a man who s determined to ruin her fun please note a rake s redemption was formerly titled a rake s ruin

Excavation of the Riana Ruin and Chama Valley Survey 1937 an important part of the heritage of count eiril knuth 1903 1996 is his archaeological archive containing contextual information on prehistoric sites gathered during six decades of research in high arctic greenland the finds and observations are a key to the understanding of human life under extreme conditions in a long term perspective and represent a unique piece of evidence concerning the early cultural history of the eastern arctic knuth s expeditions from 1932 to 1995 took him to greenland and canada in particular high arctic greenland in a number of important articles knuth published the findings dating back to the earliest human settlement in greenland however he never managed to present the complete body of information and results from his many investigations the present authors have thus compiled a computer database on the basis on his archive which constitutes the starting point of the present book the book focuses on knuth s most substantial contribution to archaeology the prehistory of peary land and adjacent areas in the catalog emphasis has been placed on topographical and architectural information site structure artefact statistics and radiocarbon dates a total of 154 archaeological sites are presented fifty one sites with a total of 244 features are independence i sites c 2460 1860 cal bc twenty three sites with a total of 416 features belong to independence ii c 900 400 cal bc and sixty three sites with a total of 626 features are of thule origin c 1400 1500 ca ad this study presents some new information on the faunal material from peary land based on christyann darwent s recent analyses as well as new data on the dwelling features on the adam c knuth site which was visited by a multidisciplinary team in 2001 it also offers an introduction presenting an overview and evaluation of knuth s remarkable curriculum vitae as an independent arctic archaeologist in the concluding chapters some basic statistics on the archaeological sites are presented we evaluate knuth s radiocarbon datings of the independence i independence ii and thule cultures in high arctic greenland and settlement distributions and settlement patterns for the three cultures represented in peary land are discussed

**Sweet Ruin** 2019-09-14 since the nineteenth century mass production consumerism and cycles of material replacement have accelerated increasingly larger amounts of things are increasingly victimized rapidly and made redundant at the same time processes of destruction have immensely intensified although largely overlooked when compared to the research and social significance devoted to consumption and production the outcome is a ruin landscape of derelict factories closed shopping malls overgrown bunkers and redundant mining towns a ghostly world of decaying modern debris normally omitted from academic concerns and conventional histories the archaeology of the recent or contemporary past has grown fast during the last decade this development has been concurrent with a broader popular artistic and scholarly interest in modern ruins in general ruin memories explores how the ruins of modernity are conceived and assigned cultural value in contemporary academic and public discourses reassesses the cultural and historical value of modern ruins and suggests possible means for reaffirming their cultural and historic significance crucial for this reassessment is a concern with decay and ruination and with the role things play in expressing the neglected unsuccessful and ineffable abandonment and ruination is usually understood negatively through the tropes of loss and deprivation things are degraded and humiliated while the information knowledge and memory embedded in them become lost along the way without even ignoring its many negative and traumatizing aspects a main question addressed in this book is whether ruination also can be seen as an act of disclosure if ruination disturbs the routinized and ready to hand to what extent can it also be seen as a recovery of memory as exposing meanings and presences that perhaps are only possible to grasp at second hand when no longer immersed in their withdrawn and useful reality anybody interested in the archaeology of the contemporary past will find ruin memories an

essential guide to the very latest theoretical research in this emerging field of archaeological thought
