United States Statutes at Large 1949 final issue of each volume includes table of cases reported in the volume

Hearings 1957 a brookings institution press and the research institute of economy trade and industry japan publication east asian economic integration is on the rise in the past decade all of the region s powers have begun negotiating free trade agreements with their neighbors they are also exploring broader regional options such as the creation of an east asian summit or free trade area these developments have not always been welcomed by observers in other parts of the world some fear that they mark a turn away from integration into the global economy and herald the emergence of a closed inward looking bloc in this timely and important book naoko munakata offers an alternative perspective based on her experience as an economic official and trade negotiator over the past 20 years east asian integration she argues is not driven by defensiveness or anti western sentiment instead it reflects pragmatic calculations of economic interest as well as a desire for mutual trust and a sense of community munakata makes her case by analyzing developments in the region since the mid 1980s highlighting such important factors as the evolution of asia pacific economic cooperation apec the impact of the 1997 98 asian financial crisis and the rise of china she also outlines possible future scenarios for the region and offers policy prescriptions for building on regionalism s achievements to date over the coming decades the rise of china its relationship with japan and the institutional arrangements that bind those countries to the united states and the countries of east and southeast asia will become critical factors in the global balance of power transforming east asia is essential reading for anyone seeking to understand the roots of this transformation

Hearings 1956 reviews the mineral and material industries of the united states and foreign countries contains statistical data on materials and minerals and includes information on economic and technical trends and development includes chapters on approximately 90 commodities and over 175 countries

Moral Rights in Our Copyright Laws 1990 for the professional and student here is a basic guide to raising money obtaining rights and bringing a play to the stage appendices include actual examples of commonly used legal forms and contracts likely to remain for some time to come the authoritative reference in its field variety

Monopoly Problems in Regulated Industries 1957 when most of us hear the title gentlemen prefer blondes we think of marilyn monroe and jane russell s iconic film performance few however are aware that the movie was based on anita loos s 1925 comic novel by the same name what does it mean women adapting asks to translate a jazz age blockbuster from book to film or stage what adjustments are necessary and what if anything is lost bethany was examples that every 9 year old should know

debuted as women s magazine serials gentlemen prefer blondes edith wharton s the age of innocence and edna ferber s show boat and traces how each of these beloved narratives traveled across publishing theatre and film through adaptation she documents the formation of adaptation systems and how they involved women s voices and labor in modern entertainment in ways that have been previously underappreciated what emerges is a picture of a unique window of time in the early decades of the twentieth century when women in entertainment held influential positions in production and management these days when filmic adaptations seem endless and perhaps even unoriginal women adapting challenges us to rethink the popular platitude the book is always better than the movie

Television, June 27, 28, July 11, 12, 13, September 13, 14, 17, 18, 19, 20, 24, 25, 26, and 27, 1956 1957 entertainment law and business is a handy resource for both the experienced and novice practitioner it provides a broad survey of the entire industry and creative rights laws it includes incisive summaries of all of the important areas of creative rights law copyrights the protection of ideas trademark publicity and privacy and the major international treaties it also provides an overview of all the major fields of entertainment and related field of interest for entertainment practitioners along with illustrative agreements this is not an esoteric academic treatise the book aims to aid the practitioner in the practical aspects of entertainment hence the authors have attempted to highlight the key features of the major agreements in each field they provide insights not only into what the individual provisions of the agreement attempts to regulate but also the concerns that lie behind those provisions they point to the types of negotiating strategies important in each agreement passing on their experience to the practitioner all of the accompanying sample forms and documents are conveniently included on cd rom in rtf rich text format rtf allows the user to open each sample clause for use editing in either microsoft word or corel wordperfect value package
