Department of Defense Appropriations 1978 dame kathleen kenyon has always been a larger than life figure likely the most influential woman archaeologist of the 20th century in the first full length biography of kenyon miriam davis recounts not only her many achievements in the field but also her personal side known to very few of her contemporaries her public side is a catalog of major successes discovering the oldest city at jericho with its amazing collection of plastered skulls untangling the archaeological complexities of ancient jerusalem and identifying the original city of david participating in the discipline s most famous all woman excavation at great zimbabwe her development with sir mortimer wheeler of stratigraphic trenching methods has been universally emulated by archaeologists for over half a century her private life her childhood as daughter of the director of the british museum her accidental choice of a career in archaeology her working at bombed sites in london during the blitz and her solitary retirement to wales are generally unknown davis provides a balanced and illuminating picture of both the public dame kenyon and the private person

The Manuscripts of Lord Kenyon 1894 revised edition with sections on american arceology
Dame Kathleen Kenyon 2016-09-16 this book is the only text devoted entirely to archaeological stratigraphy a subject of fundamental importance to most studies in archaeology the first edition appeared in 1979 as a result of the invention by the author of the harris matrix a method for analyzing and presenting the stratigraphic sequences of archaeological sites the method is now widely used in archaeology all over the world the opening chapters of this edition discuss the historical development of the ideas of archaeological stratigraphy the central chapters examine the laws and basic concepts of the subject and the last few chapters look at methods of recording stratification constructing stratigraphic sequences and the analysis of stratification and artifacts the final chapter which is followed by a glossary of stratigraphic terms gives an outline of a modern system for recording stratification on archaeological sites this book is written in a simple style suitable for the student or amateur the radical ideas set out should also give the professional archaeologist food for thought key features covers a basic principle of all archaeological excavations provides a data description and analysis tool for all such digs which is now widely accepted and used gives extra information
A Beginning of a Bibliography of the Literature of Rural Life 1925 this is a detailed study of the archaeology of roman winchester venta belgarum a major town in the south of the province of britannia and its development from the regional civitas capital of the iron age people the belgae who inhabited much of what is now central and southern hampshire

Official Gazette 1910 biographies of twelve often overlooked woman archaeologists

E.W. Kenyon and His Message of Faith 1997 this is a biography of kenyon cox one of the best known cultural figures in the united states from 1900 to 1920 his reputation was earned chiefly as a painter of murals and as a critic his large allegorical works can be found in wisconsin iowa minnesota the library of congress and new york

Beginning in Archaeology 1952 this book is about the boisterous beginnings of the american pentecostal movement and the ideas that defined that movement during those formative years it follows a group of men who rethought the christian faith in light of their new experience of god thinking in the spirit aims to provide scholars and general readers who know little or nothing about pentecostalism with an introduction to the ideas of the movement s most articulate early spokespersons and to provide pentecostals with a non judgmental historical source to help them in their theological reflections douglas jacobson focuses on the individuals who formed the original brain trust of this now gigantic religious movement in a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the pentecostal message in the united states and around the world

Journals of the House of Lords, Beginning Anno Primo Henrici Octavi 1846 demystifying the poet laureate of depression pleasure loving sarcastic stubborn determined erotic deeply sad jane kenyon s complexity and contradictions found expression in luminous poems that continue to attract a passionate following dana greene draws on a wealth of personal correspondence and other newly available materials to delve into the origins achievement and legacy of kenyon s poetry and separate the artist s life story from that of her husband the award winning poet donald hall impacted by relatives depression during her isolated childhood kenyon found poetry at college where writers like

robert bly encouraged her development her graduate school marriage to the middle aged hall and subsequent move to new hampshire had an enormous impact on her life moods and creativity immersed in poetry kenyon wrote about women s lives nature death mystical experiences and melancholy becoming in her own words an advocate of the inner life her breakthrough in the 1980s brought acclaim as a born poet and appearances in the new yorker and elsewhere yet her ongoing success and artistic growth exacerbated strains in her marriage and failed to stave off depressive episodes that sometimes left her non functional refusing to live out the stereotype of the mad woman poet kenyon sought treatment and confronted her illness in her work and in public while redoubling her personal dedication to finding pleasure in every fleeting moment prestigious fellowships high profile events residencies and media interviews had propelled her career to new heights when leukemia cut her life short and left her husband the loving but flawed curator of her memory and legacy revelatory and insightful jane kenyon offers the first full length biography of the elusive poet and the unquiet life that shaped her art

Principles of Archaeological Stratigraphy 2014-06-28 the fifth volume in the series of final reports on the work of the joint expedition to jerusalem in the 1960s describes the discoveries made in six sites in the ancient city and places them in the archaeological and historical context of jerusalem and the surrounding lands among the most debated issues are the extent of the occupation of the city during the iron age the location of the southern defence line in herodian and roman times and the date of the destruction of an umayyad palatial structure there is fresh information on the civic amenities of the southern half of the byzantine city and on the structure of the ottoman city defences built under sulaiman the magnificent in the sixteenth century fine glazed pottery both locally made and imported and the wide range of materials reaching jerusalem through trade and pilgrimage reflect elite patronage and the high status of the holy city under islamic rule

Congressional Record 1924 provides a look at kenyon college from the students viewpoint

Venta Belgarum: Prehistoric, Roman, and Post-Roman Winchester 2023-12-28 this publication is the last volume to appear of dame kathleen kenyon s excavations in jerusalem presenting the bronze and iron age material it contains a stratigraphical analysis of the architectural remains a study of the pottery and an interpretation of the results the volume includes a reconstruction of the occupational history of the site currently a highly controversial issue using not only kenyon s results but data from earlier and more recent published digs
