the stirring story of african canadians who had fled slavery and oppression in the united states but returned to enlist in the union forces in the american civil war arriving at a highway accident scene on a stormy night joburg paramedic nick kenyon finds only one victim a critically injured young woman in the car s passenger seat in the ambulance nick agrees to take her phone and make an urgent call for her what he doesn t know is that the missing driver is part of a cold blooded gang of robbers planning their biggest ever heist and that his actions have just made him a target as an ex mercenary with a dubious past nick not only knows how to save lives but to take them as well he will be needing both these skills because his past is back with a vengeance his brother paul is the gang leader and has an old score to settle nick helped put paul in prison once before and paul has vowed it will never happen again the countdown to the heist begins and two brothers are pitted against each other once more in a deadly battle where there can be only one survivor music has the universal power to move individuals peoples and societies music is one of the most important signifiers of cultural change it is also most significant for youth movements and youth cultures while islam has a historically and traditionally rich culture of music religious controversy on the topic of music is still ongoing however young muslims in today s globalised world seek pop cultural tools such as music and particularly hip hop music as way of exploring and expressing their manifold identities whilst challenging islamophobia stigma and racism on the one hand and traditional and religious challenges on the other hand in this volume following an international conference with the same title scholars and young academics from a variety of disciplines seek to explore and highlight the phenomena surrounding the two somewhat artificially separated realms of music and religion the contributions not only look into different genres of music from tunisian metal over german female hip hop to egyptian folk but take the reader on a journey from continent to countries to cities and rural areas and thus give space and time to a widely neglected area of research that of muslim popular culture and young muslims
