The Day Parliament Burned Down 2013-08-29 this is the thrilling but largely unknown story of the day that the 800 year old houses of parliament burnt down today it is a largely forgotten event but in 1834 it was as shocking and significant to contemporaries as the death of princess diana was to us at the end of the 20th century out of the fire rose not just the new houses of parliament but masterpieces by turner and dickens the first public record office and a new metropolitan fire brigade it is a fascinating tale never previously told in a full length book written by the head of the parliamentary archives at westminster it will appeal to any readers interested in the georgian and victorian periods the history of london and the story of parliament

Mr Barry's War 2016 the saga of the epic battle to re build the houses of parliament after the great fire of 1834 this is also the story of how the greatest construction programme in britain for centuries produced one of the most famous and instantly recognizable buildings ever built

Facts and Inventions 2014-06-10 james boswell 1740 1795 best known as the biographer of samuel johnson was also a lawyer journalist diarist and an insightful chronicler of a pivotal epoch in western history this fascinating collection edited by paul tankard presents a generous and varied selection of boswell s journalistic writings most of which have not been published since the eighteenth century it offers a new angle on the history of journalism an idiosyncratic view of literature politics and public life in late eighteenth century britain and an original perspective on a complex and engaging literary personality

History of England 1878 a parliamentary scandal that dominates the headlines the resignation of major party figures commentators and citizens wondering if the british government and the people s faith in it will survive before brexit another major crisis rocked the foundation of government in the country the expenses scandal of 2009 featuring interviews with the members of parliament journalists and officials close to the center of the turmoil an extraordinary scandal tells the story of what really happened andrew walker the tax expert who oversaw the parliamentary expenses system and emma crewe a social scientist specializing in the institutions of parliament bring fascinating perspectives from both inside and outside parliament to this account far from attempting provide a defense of any the parties involved an extraordinary scandal explains how the parliament fell out of step with the electorate and became a victim of its own remote institutional logic growing to become at odds with an increasingly open meritocratic society charting the crisis from its 1990s origins when westminster began too slowly to respond to wider societal changes to its aftermath in 2010 the authors examine how the scandal aggravated the developing crisis of trust between the british electorate and westminster politicians that continues to this day their in depth research reveals new insight into how the expenses scandal acted as a glimpse of what was to come and they reveal where the scandal s legacy can be traced in the new age of mistrust and outrage in which politicians are often unfairly vulnerable to being charged in the court of public opinion by those they represent

An Extraordinary Scandal 2020-03-15 why do brits call their flag a jack how did the leek become a symbol of wales does the tube run 24 7 who was the widow of windsor can you take part in a coronation what was a greenwood marriage was the giant s causeway built by an irish giant which british literary figures won the nobel prize for literature how can you register a record in the guinness book of records what is the emergency phone number in the uk providing well organised material on the uk s history geography literature royalty and society diana cordea s britain revealed is a condensed and easy to read book about all things british it is an excellent user friendly reference for prospective visitors to the uk anglophiles or readers wishing to know and understand popular british culture most importantly britain revealed is aimed at teachers of english as a foreign language who wish to make their english and optional classes more exciting the plethora of information provided in

this comprehensive teaching aid can be adapted to various levels of language proficiency and can be used in various classroom activities focusing on essential questions concerning british culture and civilisation this volume is also attractive to learners who will thus have the opportunity of brushing up on their english in a versatile and practical way

Britain Revealed 2021-12-31 the life of one of western art s most admired and misunderstood painters j m w turner is one of the most important figures in western art and his visionary work paved the way for a revolution in landscape painting over the course of his lifetime turner strove to liberate painting from an antiquated system of patronage bringing a new level of expression and color to his canvases he paved the way for the modern artist turner was very much a man of his changing era in his lifetime he saw britain ravaged by napoleonic wars revived by the industrial revolution and embarked upon a new moment of imperial glory with the ascendancy of queen victoria his own life embodied astonishing transformation born the son of a barber in covent garden he was buried amid pomp and ceremony in st paul s cathedral turner was accepted into the prestigious royal academy at the height of the french revolution when a climate of fear dominated britain unable to travel abroad he explored at home reimaging the landscape to create some of the most iconic scenes of his country but his work always had a profound human element when a moment of peace allowed travel into europe turner was one of the first artists to capture the beauty of the alps to revive venice as a subject and to follow in byron s footsteps through the rhine country while he was commercially successful for most of his career turner s personal life remained fraught his mother suffered from mental illness and was committed to bedlam turner never married but had several long term mistresses and illegitimate daughters his erotic drawings were numerous but were covered up by prurient victorians after his death turner s late impressionistic work was held up by his victorian detractors as example of a creeping madness affection for the artist s work soured john ruskin the greatest of all 19th century art critics did what he could to rescue turner s reputation but turner s very last works confounded even his greatest defender turner humanizes this surprising genius while placing him in his fascinating historical context franny moyle brilliantly tells the story of the man to give us an astonishing portrait of the artist and a vivid evocation of britain and europe in flux

Turner 2016-10-25 a thought provoking history of communications that challenges ideas about freedom of speech and democracy at the heart of democracy lies a contradiction that cannot be resolved one that has affected free societies since their advent though freedom of speech and media has always been a necessary condition of democracy that very freedom is also its greatest threat when new forms of communication arrive they often bolster the practices of democratic politics but the more accessible the media of a society the more susceptible that society is to demagoguery distraction and spectacle tracing the history of media disruption and the various responses to it over time zac gershberg and sean illing reveal how these changes have challenged democracy often with unsettling effects the paradox of democracy captures the deep connection between communication and political culture from the ancient art of rhetoric and the revolutionary role of newspapers to liberal broadcast media and the toxic misinformation of the digital public sphere with clear eyed analysis gershberg and illing show that our contemporary debates over media populism and cancel culture are not too different from the democratic cultural experiences of the past as we grapple with a fast changing hyper digital world they prove democracy is always perched precipitously on a razor s edge now as ever before

Tegg's Dictionary of Chronology; Or, Historical and Statistical Register 1854 anthony trollope 1815 1882 was one of the most successful prolific and respected english novelists of the victorian era he wrote penetrating novels on political social and gender issues and conflicts of his day in 1867 trollope left his position in the british post office to run for parliament as a liberal candidate in 1868 after he lost he concentrated entirely on his literary career while continuing to produce novels

rapidly he also edited the st paul s magazine which published several of his novels in serial form his first major success came with the warden 1855 the first of six novels set in the fictional county of barsetshire the comic masterpiece barchester towers 1857 has probably become the best known of these trollope s popularity and critical success diminished in his later years but he continued to write prolifically and some of his later novels have acquired a good reputation in particular critics generally acknowledge the sweeping satire the way we live now 1875 as his masterpiece in all trollope wrote forty seven novels as well as dozens of short stories and a few books on travel

The Paradox of Democracy 2023-08-05 china s early emperors must pay their respects to their predecessors in the correct form the conduct of government and commercial practice depended on a generally accepted system of weights and measures critics needed a secure means of expressing their views

North America 2014-05-01 a compact collection of focused introductions to and inquiries into medieval england representing both history and literature

Noctes Ambrosian 1868 this new edition of michael fry s remarkable book charts the involvement of the scots in the british empire from its earliest days to the end of the twentieth century it is a tale of dramatic extremes and craggy characters and of a huge range of concerns from education evangelism and philanthropy to spying swindling and drug running stories of scottish regiments on the rampage cannibalism and other atrocities are contrasted with the deeds of heroic pioneers such as david livingstone and mary slessor above all it tells how the british empire came to be dominated and run by the scots and how it truly became a scottish empire as the empire transformed scotland beyond recognition so was the empire shaped by the scots a remarkable achievement from the population of so small a country which was itself neither nation nor fully province neither fully colonizer nor fully colonized michael fry s energetic and colourful account is one of the classics of modern scottish history

The Scottish Empire 2002-02-01 the seven dials refers to the layout of the cobbled streets in this london village which includes monmouth street earlham street and mercer street the seven streets radiate out from the central sundial looking closely you ll see the dial only has only six faces this is due to an earlier urban planning drawn up by thomas neale in the 17th century who devised the characteristic seven dials street layout to maximize the number of houses that could be built on the site so maximizing his profit

The Complete Works of Anthony Trollope: Novels, Short Stories, Plays, Articles, Essays & Memoirs 2023-11-27 here is a welcome

new addition to this acclaimed travel guide series pocket adventures germany is a lightweight volume with heavyweight information designed to be used on the go packed with all the practical travel information you could ever need from places to stay and eat tourist information resources destination specific travel advice emergency information plus sections on history and geography that provide readers with the background knowledge essential to a thoroughly enjoyable holiday the author's passion for the destination comes across in the lively and detailed text which is packed with the very best and most up to date information this is a must have volume for anyone really wanting to make the most of their german holiday color photos throughout the author is a resident of munich so he knows his subject well of the three germany guidebooks i used this one was the most useful and not only because it covers so many places that the others simply ignored although you never get 10 off for showing this book it has enough sensible advice on how to shave unnecessary expenses off the budget without ever feeling or acting like a cheapskate i enjoyed the author's explanation of germany's complex history but others may like the history cheat sheet that reduces six pages of history to a half page summary although the author has the ability to focus on the essentials he/she drops enough fascinating tidbits to keep it interesting i also love the explanation of major trends in german culture arts music and literature the author clearly has opinions but never treats the reader like an idiot or writes down to you in any sense as a non german speaker i also loved the way all german terms are translated throughout the guide not expecting me to suddenly remember what is a kirch or schloss halfway through the book the accommodation lists are very useful especially as it focuses on the around 80-120 per night middle to upper class hotels that suit my tastes however even the lower priced hotels all have private bathrooms which to me is rather essential when on vacation jane's amazon.com great to see a guidebook on germany in english by an author who realizes that germany is more than berlin the rhine and bavaria not that the well known areas are neglected but i particularly enjoyed the wide coverage on the former east german regions steven amazon.com

The Complete Works of Anthony Trollope 2023-12-28 the first modern history of st james's palace shedding light on a remarkable building at the heart of the history of the british monarchy that remains by far the least known of the royal residences in this first modern history of st james's palace the authors shed new light on a remarkable building that despite serving as the official residence of the british monarchy from 1698 to 1837 is by far the least known of the royal residences the book explores the role of the palace as home to the heir to the throne before 1714 its impact on the development of london and the west end during the late stuart period and how following the fire at the palace of whitehall st james's became the principal seat of the british monarchy in 1698 the arrangement and display of the paintings and furnishings making up the royal collection at st james's is chronicled as the book follows the fortunes of the palace through the victorian and edwardian periods up to the present day specially commissioned maps phased plans and digital reconstructions of the palace at key moments in its development accompany a rich array of historical drawings watercolors photographs and plans the book includes a foreword by his royal highness the prince of wales published in association with royal collection trust

Victorian London Slums Seven Dials 2012-05-08 covenanting citizens throws new light on the origins of the english civil war and on the radical nature of the english revolution an exercise in writing the new political history the volume challenges the discrete categories of high and popular politics and the presumed boundaries between national and local history it offers the first full study of the protestation the first state oath to be issued under parliamentary authority the politics behind its introduction into parliament it argues challenges the idea that the drift to civil war was unintended or accidental used as a loyalty oath to swear the nation it required those who took it to defend king church parliament and england's liberties despite these political commonplaces the protestation had radical intentions and radical consequences it envisaged armed

resistance against the king and possibly more it became a charter by which parliament felt able to fight a civil war and it was used to raise men money and political support requiring resistance against enemies that might include a king himself contemplating the use of political violence the protestation offered a radical extension of membership of the political nation to those hitherto excluded by class age or gender in envisaging new forms of political mobilisation the protestation promoted the development of a parliamentary popular political culture and ideas of active citizenry covenanting citizens demonstrates how the protestation was popularly appropriated to legitimise an agency expressed in street politics new forms of mass petitioning and popular political violence

Germany Pocket Adventures 2012-02-01 the 21st edition of time out london will help visitors to navigate the 2000 year old city from the many must visits through to the eccentricities and particularities that give london its flavor time out keeps you abreast of the latest in terms of cultural events entertainment restaurants shopping bar and pub scene as well as taking you to the out of the way neighborhoods in the throes of gentrification day trips and local excursions are also recommended as rolling hills seaside walks and ancient cities are all within your grasp whether your stay is brief or lengthy time out will help you make the most of your time

St James's Palace 2023-01-10 anyone interested in the real london needs to read this andrew marr no city can survive without water and lots of it today we take the stuff for granted turn a tap and it gushes out but it wasn't always so for centuries london one of the largest and richest cities in the world struggled to supply its citizens with reliable clean water the mercenary river tells the story of that struggle from the middle ages to the present day based on new research it tells a tale of remarkable technological scientific and organisational breakthroughs but also a story of greed and complacency high finance and low politics among the breakthroughs was the picturesque new river neither new nor a river but a state of the art aqueduct completed in 1613 and still part of london's water supply the company that built it was one of the very first modern business corporations and also one of the most profitable london water companies were early adopters of steam power for their pumps and chelsea waterworks was the first in the world to filter the water it supplied its customers the same technique is still used to purify two thirds of london's drinking water but for much of london's history water had to be rationed and the book also chronicles our changing relationship with water and the way we use it amongst many stories nick higham's page turning narrative uncovers the murky tale of how the most powerful steam engine in the world was first brought to london the extraordinary story of how one victorian london water company deliberately cut off 2 000 households even though it knew they had no alternative source of supply the details of a financial scandal which brought two of the water companies close to collapse in the 1870s and finally asks whether today's 21st century water companies are an improvement on their victorian predecessors

Covenanting Citizens 2016-10-06 learn about key concepts behind the world's most incredible buildings in the architecture book part of the fascinating big ideas series this book tackles tricky topics and themes in a simple and easy to follow format learn about architecture in this overview guide to the subject great for novices looking to find out more and experts wishing to refresh their knowledge alike the architecture book brings a fresh and vibrant take on the topic through eye catching graphics and diagrams to immerse yourself in this captivating book will broaden your understanding of architecture with a global scope covering architecture from all over the world packed with facts charts timelines and graphs to help explain core concepts a visual approach to big subjects with striking illustrations and graphics throughout easy to follow text makes topics accessible for people at any level of understanding the architecture book is a captivating introduction to buildings and the ideas and principles that make them key to the history and evolution of our built environment aimed at

Time Out London 2013-03-12 she s sixteen shunned isolated and possibly pregnant this is marie who thought she had the world by the tail a few months ago she had married a handsome professional european man who adored her she is eurasian but her european status in indonesia had been earned through careful education european dress and mastery of a european language dutch but she finds herself in dank grey manchester where her husband s family won t accept her and never really will she s half a world away from the blue skies tropical fruits colourful fabrics familiar languages and house full of servants that she grew up with her husband walter woodbury is on a mission to patent his invention which is why they ve returned to england a country which will be civilly hostile to marie and her eight children so that when her husband dies within a few years seven of the eight and marie herself will have fled england which deems them not white enough you probably don t know who walter bentley woodbury is but you should he s the reason this book is in your hands woodbury invented and patented the first photographic printing press so that thousands of copies could be made from a single negative enough for a book or an illustrated magazine but he s unknown in fact he died in so much debt that a collection had to be taken for his funeral and he left his wife and eight children 246 his obscurity is due to two factors one is woodbury himself his mercurial mind caromed on to the next project whether it was an aerial observation camera for the military or a train signal that used sound for foggy weather or paper backed film before he had secured the business side of his existing inventions the second was that he and his family were ostracized because marie woodbury his eurasian wife was visibly biracial and so were most of their children the scientific community accepted woodbury as an inventor but the wider community never accepted his wife and family virtually all of whom left england after woodbury s tragic death this book tells a story that needs telling in our modern world not white enough is largely dedicated to woodbury s career and travels but the author also sheds some light sometimes speculative on his wife their eight children and other little known woodbury family members in an effort to piece together the puzzle of her family s fascinating and often tragic past

The Mercenary River 2022-04-14 medievalism the later reception of the middle ages has been used by many writers not just during the victorian period but from the renaissance to the present as a means of commenting on their own societies and systems of values until recently this self interest was used to distinguish between medievalism a selective often romanticised view of the past and medieval studies with its quest for an authentic middle ages the essays in this collection suggest that the search for knowledge of a real middle ages has always been a problematic one and that the vitality of the vision of medievalism is demonstrated by its constant adaption to current concerns

The Architecture Book 2023-02-21 in the middle ages rolls were ubiquitous as a writing support while scholars have long examined the texts and images on rolls they have rarely taken the manuscripts themselves into account this volume readdresses this imbalance by focusing on the materiality and various usages of rolls in late medieval england and france researchers

from england france germany and singapore demonstrate in 11 contributions how this approach can increase our understanding of the rolls and their contents as well as the contexts in which they were produced and used

Bedlam and Betrayal 2010 lindsay anderson s film if 1968 starring malcolm mcdowell as a schoolboy who leads a guerilla insurgency imagines how repression conformity and fusty ritual at an english public school could lead to anarchy and bloody revolt its title is a sardonic nod to rudyard kipling s most famous poem and its story a radical updating of kipling s 1899 story stalky and co in which prankish rebels are groomed to police the empire released at a time of unprecedented student uprisings in europe and america if provided a peculiarly english perspective on the battle between generations the perennial war of the romantically passionate against the corrupt the ugly the old and the foolish though its emotional surface is authentically anti authoritarian its intellectual substance as mark sinker argues is rooted in a deep familiarity with the symbols of english ruling class values no longer a vehicle for shock or dissent if is today enjoyed comfortably even nostalgically but for sinker this renders its many knots and paradoxes the moments of poetry that anderson argued were cinema s raison d etre all the more fascinating

Not White Enough 2023-06-26 paul barclay s story continues six years from the end of le morte d mortimer jack hammond persuades paul to return to london where he meets up with joseph and aaron the mysterious agent esther fanning and two hollywood movie makers under fanning s management literary theatrical and movie successes have made them all incredibly rich on a visit to cambridge joseph begins to unveil parts of his life hitherto unknown to paul the reappearance of mcarthur sparks off further mystery paul moves on to amsterdam to meet up with jack hammond and finds himself managed and manipulated by the rosenblum organisation from hammond he learns the secrets of mortimer s prized icon of the blue madonna they also encounter the secretive international art market their journey driven by the mystery of all the mortimer connections takes them from amsterdam to the blair edgar has woven a net of intrigue and changing interpersonal relations in which his characters are all trapped as the story unfolds

Medievalism and the Quest for the Real Middle Ages 2013-01-11 simon bradley traces the history of the station introducing us to the men behind the architecture and looks at its new international status this fine new edition includes a fascinating chapter on the new hotel and some timely revisions bringing it fully up to date a marvellous piece of social aesthetic and technological history it is impossible to praise bradley s book too highly a n wilson daily telegraph brilliantly and with deft hand simon bradley makes sense of it all fabulous sunday telegraph a masterpiece of historical context immensely readable sunday times this fine book examines the history of both the church that gave the station its name and the railway terminus unexpectedly compelling daily mail

The Roll in England and France in the Late Middle Ages 2019-12-16 through the consideration of canonical authors such as blake scott and wordsworth and of lesser studied works such as radical press writings and popular drama this study explores the imaginative appeal of the social structures and literary forms of the middle ages and how they raised awareness of britain s tradition of freedom
