resource managers challenges managing talent a market driven approach hallmarks of high performing organizations india shining with human strategic strength human resource management with specific case studies in india human resource management challenges in the new millennium traditional professional communities their reorientation human resource development as strategic strength hrd as a strategic power developing human resource as a strategic strength transcultural human values rationalisation a competitive advantage the story of a political prisoner s coming of age as a student activist in india keeping up the good fight is the story of a young man s political coming of age and his experience as a student activist and scientist incarcerated by two authoritarian regimes in india half a century apart on september 25 1975 the students of jawaharlal nehru university in new delhi called for a strike to protest the expulsion of ashoklata jain an elected student union member three months earlier prime minister indira gandhi had declared a state of emergency it was the second day of the strike and the campus was tense a black car rolled up near a group of students a few plainclothes cops got out and abducted one of them the student spent the next year in jail almost fifty years later on february 9 2021 the founder of an online news portal saw his home and offices raided for 113 hours straight ransacked by officers from the enforcement directorate nearly two years later on october 3 2023 the delhi police special cell reappeared the founder of the news portal and his colleague were remanded to custody under the dreaded unlawful activities prevention act uapa that student journalist and scientist prabir purkayastha tells his own story with wit and humor as he engages with some of india s most pressing social political and economic issues across the decades and remains committed to keeping up the good fight this volume constitutes the first of three parts of the refereed proceedings of the first international conference on computer science and information technology ccsit 2010 held in bangalore india in january 2011 the 59 revised full papers presented in this volume were carefully reviewed and selected the papers are organized in topical

sections on distributed and parallel systems and algorithms dsp image processing pattern recognition and multimedia software engineering database and data mining as well as soft computing such as ai neural networks fuzzy systems etc this book constitutes the proceedings of the 12th international conference on biomimetic and biohybrid systems living machines 2022 in genoa italy held in july 19 22 2022 the 44 full papers and 14 short papers presented were carefully reviewed and selected from 67 submissions they deal with research on novel life like technologies inspired by the scientific investigation of biological systems biomimetics and research that seeks to interface biological and artificial systems to create biohybrid systems the conference aims to highlight the most exciting research in both fields united by the theme of living machines br ppchapters 3 9 11 12 and 15 are available open access under a creative commons attribution 4 0 international license via link
