prior to 1862 when the department of agriculture was established the report on agriculture was prepared and published by the commissioner of patents and forms volume or part of volume of his annual reports the first being that of 1840 cf checklist of public documents washington 1895 p 148

Index of Trademarks Issued from the United States Patent Office 1951

official news and announcements rulings of the war trade board and directors from its bureaus

Index of Patents Issued from the United States Patent and Trademark Office 1927

one of the most important aspects of the british gunmakers series of books has been the compilation of the past and existing records of the many gunmaking firms and the setting down of the historical facts known about them before they get lost in the mists of time no such collection just like a cartridge collection can ever be complete but this volume in conjunction with the first two is undoubtedly the best printed source of such historical record information available anywhere in the world
