Bilingualism and Bilingual Education: Politics, Policies and Practices in a Globalized Society

2019-01-14

this volume presents a multinational perspective on the juxtaposition of language and politics bringing together an international group of authors it offers theoretical and historical constructs on bilingualism and bilingual education it highlights the sociocultural complexities of bilingualism in societies where indigenous and other languages coexist with colonial dominant and other prestigious immigrant languages it underlines the linguistic diaspora and expansion of english as the world s lingua franca and their impact on indigenous and other minority languages finally it features models of language teaching and teacher education this book challenges the existent global conditions of non dominant languages and furthers the discourse on language politics and policies it does so by pointing out the need to change the bilingual multilingual educational paradigm across nations and all levels of educational systems

Who Are Godwin and Hopwood?

2024-06-17

first comprehensive monograph about the tropical architecture of godwin and hopwood in nigeria after studying at the architectural association in london john godwin and gillian hopwood moved to nigeria where they significantly shaped the country s architectural landscape for more than sixty years when nigeria became independent in 1960 following british dominance since the 19th century the couple worked to create architecture that was site specific modern and adapted to the climate relevant to nigeria s aspirational political and economic policies in this richly illustrated monograph organised by typology ben tosland examines godwin and hopwood s form of tropical modernism and illuminates its contemporary meanings and concluding with its relevance in times of the climate crisis first comprehensive monograph about the architecture of godwin and hopwood image rich publication on one of the most important architectural practices for post colonial independent nigeria insightful findings for passive structural cooling techniques

although the past few decades have witnessed growing interest in varieties of english around the world no study of the nigerian variety intended for the international market has yet been published making use of well known paradigms the book will relate nigerian english as a second language variety to other world englishes its chief overall concern however is to provide a detailed descriptive account of the variety seeking to show what is distinctive about it and also in this perspective distinguishing between more educated and less educated usage after giving a sociolinguistic profile of nigeria where english today enjoys a more prominent role than ever before it will examine in turn the phonology morpho syntax and lexico semantics of nigerian english with samples of written texts from the eighteenth century to the present it will also give a comprehensive summary of academic research carried out in the field over the past fifty years in this way the book will provide an introduction to the subject for the benefit of scholars and students in universities in many countries and will serve as a useful companion to other books in de gruyter mouton s dialects of english series

Language Endangerment

2016-02-22

the title of the poem is taken as injection having considered the prevailing situations of the country covid 19 corruption raping motherhood marriage kidnapping etc infact who or where is the brother s keeper the country needs to be sanitized sensitized and there is need for all hands to be on deck poems are one way to touch the sensibility of the society especially through the youth so that they don t go the wrong direction like the proverbial fish they could be bent now without breaking while still fresh with the right dose of injection we are going to get result the injection in this sense is to be seen as the symbolic representation to appeal to the sensibility of the masses fadeni tolu cyril

first of all other i find no grammar tears very informative what amazes me is the kind of dedication and patience marthus adden spent in writing this book this is because this kind of genre actually needs full attention truly whatever he has written is precise and correct i really admire his generosity of sharing his knowledge about english owing to the fact that english is his second language what is good about the book is that the writer wrote it in a manner that readers can easily understand it in other words what makes this book different from the other english grammar books in the market is that it is more user friendly which means he wrote it in a manner that can easily be understood especially by those who just learned english and want to learn more correctly put this book is a guide to those who wants to learn english on their own as a

matter of fact he has a knowledge check in every subject he has discussed in this book he catered everything especially in the part on how to construct sentences which are very precise and which make it very easy to learn the book he did not change anything at all in terms of the right way to speak and learn english but instead he made it easier and more convenient for those people whose english is not their first language in point of fact he wrote this book not because he wants to show off to the world that he is a good grammarian but because he wants to help those struggling to learn english the book therefore deserves recognition because he is actually giving a favour to those who can t afford to have a private tutor to teach them how to speak english correctly i must in conclusion admit that this book will really help those people who want to learn english language those people who are striving to speak perfect english and those people that english is their second language i will therefore commend the author for this book

it is chiefly through books that we enjoy intercourse with superior minds in the best books great men talk to us give us their most precious thoughts and pour their souls into ours god be thanked for books they are the voices of the distant and

the dead and make us heirs of the spiritual life of past ages books are true levelers they give to all who will faithfully use them the spiritual presence of the best and greatest of our race william ellery channing some of the things you will discover in felimanuel series the magical secret to success in english language essay writing for junior and senior high schools volume 1 with bonus success secrets the book is comprehensively logically and coherently written and the language used is also easy to understand hence little or no further explanation is needed the book teaches how to choose examination questions and answer them without sweat sample outlines plans and sample essays have been written to guide pupils and students the bonus success secrets will help pupils and students to pass in all seemingly difficult subjects like mathematics and science the bonus success secrets will also guide pupils and students towards the attainment of greater success in life the book has been designed in such a way that it can be used for examination purposes and for other practical uses in the day to day life of whoever uses it faithfully in writing this book on english language essay writing i decided to move away from the traditional way of some authors flooding their english language essay writing books with so many sample essays based on my experiences as an english teacher some years back many pupils students have the habit of memorizing written essays found in books and reproduce them during examinations class exercises or when given project home work when they see that the question being asked is similar to the answered one they came across i hope the experts in the educational sector will agree with me that this does not augur well for the proper development of the child because he she would not have the opportunity to think and plan on his her own before writing a script with originality i stand to be corrected if i am mistaken it is in line with this that i have given only single sample essays per essay topic treated with more suggested outlines plans most people often fail to plan their lives and this usually have disastrous effects on them also in writing examination most candidates fail to plan their essays before answering selected questions as the old adage says if you fail to plan you plan to fail it is based on the above that in writing this book i dedicated the first chapter to the basics of essay writing below is an excerpt of chapter one of the book after high lighting on the basics of essay writing i went ahead to discuss what paragraphs are and how they can be used in our daily writings this is followed by the use of punctuation marks here again i have given a comprehensive write up as to how punctuation marks can be used to enrich our written works other topics covered in the book are writing of narrative essays descriptive essays friendly letters semi formal letters summary writing argumentative essays speeches and talks report writing articles for publication expository essays and advertisement after a comprehensive logical and coherent treatment of each topic i followed up with sample questions outlines plans and essays these are only to serve as a guide to users of the book i will like to take this opportunity to entreat teachers to encourage pupils students whom they teach to learn how to write an outline plan and to use it when answering essay related questions not only with english language but with all other subjects that they deem it fit to apply some people may not see the usefulness of the outline plan but it helps the pupil stude

over the last decade teaching assistants tas have become an established part of everyday classroom life tas are often used by schools to help low attaining pupils and those with special educational needs yet despite the huge rise in the number of tas

working in uk classrooms very little is known about their impact on pupils this key and timely text examines the impact of tas on pupils learning and behaviour and on teachers and teaching the authors present the provocative findings from the ground breaking and seminal deployment and impact of support staff diss project this was the largest most in depth study ever to be carried out in this field it critically examined the effect of ta support on the academic progress of 8 200 pupils made extensive observations of nearly 700 pupils and over 100 tas and collected data from over 17 800 questionnaire responses and interviews with over 470 school staff and pupils this book reveals the extent to which the pupils in most need are let down by current classroom practice the authors present a robust challenge to the current widespread practices concerning ta preparation deployment and practice structured around a conceptually and empirically strong explanatory framework the authors go on to show how schools need to change if they are to realise the potential of tas with serious implications not just for classroom practice but also whole school local authority and government policy this will be an indispensable text for primary secondary and special schools senior management teams those involved in teacher training and professional development policy makers and academics

revitalizing nigerian education in digital age what most of the papers in this book have in common is the concern for the revitalization of nigerian education in the digital age through ict and other modern methods of making education functional and effective in the new modernity while some of the chapters deal with conceptual issues others consider the various role of education in this digital age and how nigeria can be relevant most of the chapters present well researched detailed and informative papers on how to reposition nigerian education in the digital age specifically the role of education in bringing nigeria s new world about are discussed in simple language and then taken up in different forms all through the book since nigeria has to act fast and decisively to be on the same development and education wavelength as the other members of today s global family serious actions are being suggested in this book revitalizing nigerian education in digital age simply means taking the above desiderata seriously nigeria has a daunting task here in view of the heavy education burden this is the message that this book puts across

this volume highlights the importance of micropolitics in shaping language education policy development and projects chapters discuss background theory to understanding micropolitics issues surrounding the research and publication of political behaviour by individuals and institutions and present a series of case studies in a variety of aspects of language education from a range of different contexts

Daily Graphic

1939

this volume is one of the first detailed expositions of the history of different varieties of english it explores language variation and varieties of english from an historical perspective covering theoretical topics such as diffusion and supraregionalization as well as concrete descriptions of the internal and external historical developments of more than a dozen varieties of english including american english african american vernacular english received pronunciation estuary english and english in canada africa india wales among many others

Radio Aids to Navigation

1939

the current volume presents a number of chapters which look at informal vernacular letters written mostly by emigrants to the former colonies of britain who settled at these locations in the past few centuries with a focus on letters from the nineteenth century such documents often show features for varieties of english which do not necessarily appear in later sources or which are not attested with the same range or in the same set of grammatical contexts this has to do with the vernacular nature of the letters i e they were written by speakers who had a lower level of education and whose speech and hence their written form of language does not appear to have been guided by considerations of standardness and conformity to external norms of language furthermore the writers of the emigrant letters examined in the current volume were very unlikely to have known of still less have used manuals of letter writing emigrant letters thus provide a valuable source of data in tracing the possible development of features in varieties of english in the usa canada south africa australia and new zealand
