when eleanor pendleton met louis m ream in 1911 it was love at first sight she was a Broadway actress known for her beauty and dancing ability in musical comedy productions during the early twentieth century louis was tall dark and handsome and as she soon discovered the youngest son and presumptive heir of Norman B. Ream one of America's wealthiest men the problem for Eleanor as she learned after eloping with Louis was her father in laws deep seated aversion to the theatre he regarded all actresses as disreputable after an overnight trip to seek his fathers forgiveness and understanding Louis disappeared a blend of history and melodrama h. Thomas Howells Eleanors Pursuit offers the biographical legacy of Eleanor Pendleton it looks beneath the sensational newspaper coverage of 1911 to explore the confrontation between father and son and Eleanors anxious vigil while awaiting the return of her husband when Reams lawyer arrives at her apartment instead of Louis and informs her the marriage is over Eleanor collapses in disbelief the lawyers take center stage displacing the lovers chronicling one of the biggest celebrity newspaper stories of its day Eleanors Pursuit follows the secret deal making sessions the stage managed travesty of justice and the ultimate courtroom battle these events come to life as the witnesses and lawyers reveal the private details in their own words Howell also tells how the public reacted to the story as it unfolded with surprises at every turn this biography explains the exceptional final stage of Eleanors Pursuit

the newspapers these days are becoming more and more painful i was reading my morning papers on the train not so long ago and looked up

with a feeling of desperation up and down the car people were reading yet no one seemed excited to me the whole situation seems intolerable we face today a world filled with suspicion and hatred some time we must begin for where there is no beginning there is no end and if we hope to see the preservation of our civilization if we believe that there is anything worthy of perpetuation in what we have built thus far then our people must turn to brotherly love not as a doctrine but as a way of living if this becomes our accepted way of life this life may be so well worth living that we will look into the future with a desire to perpetuate a peaceful world for our children

one of the most important women of the 20th century eleanor roosevelt 1884 1962 was also one of its most prolific letter writers yet never before has a selection of her letters to public figures world leaders and individuals outside her family been made available to general readers and to historians unable to visit the archives at hyde park it seems to me demonstrates roosevelt s significance as a stateswoman and professional politician particularly after her husband s death in 1945 these letters reveal a dimension of her personality often lost in

collections of letters to family members and friends that of a shrewd self confident woman unafraid to speak her mind in her letters roosevelt lectured truman badgered eisenhower and critiqued kennedy she disagreed with the catholic church over aid to parochial schools made recommendations for political appointments expressed her opinion on the conviction of alger hiss some letters demonstrate her commitment to civil rights many her understanding of cold war politics and still others her support of labor unions as a whole this collection provides unique insights into both eleanor roosevelt s public life as well as american culture and politics during the decades following world war ii
