Q&A Commercial Law 2009-2010

2009-06-02

excerpt from law students review and quiz book in the form of questions which supply concrete statements of facts and of answers which set forth the legal principles involved includes all important subjects conforms to the practice of the most competent boards of ability correctly to apply legal principles to facts is what makes a lawyer the aim of this book is to make lawyers not merely to help candidates in preparing for the bar examination accordingly by applying important principles and doctrines of law to stated facts it aims to give the student a taste of what he may look for upon entering the practice of the law within the limits of fifteen hundred questions and answers it is of course impracticable to present more than the barest outline of the law an inspection of the work as a whole however should demonstrate that when the student has come to feel at home with the questions and answers and with the principles involved he should upon being confronted by client or by bar examiner with facts involving the same principles be better able to discern and state the legal principles which control if he will not content himself with covering up the answer with a piece of blotting paper and with seeing if on reading the question he can remember the answer but on the contrary will rather let the question sink in and reason out his own answer correcting the result if correction be needed by the answer in the book he will get the full benefit of my efforts and of his own the writer has examined several thousands of applicants for the bar and as a result these pages betoken the earnest hope that candidates may be induced and helped to depend less on memory and more on the power of analysis and reasoning to spend time and money learning by rote scores of detached definitions maxims rules and precepts but to omit to apply them again and again is to invite failure the best and fairest law examinations search a students power of discerning of reasoning of applying what he has learned rather than his memory about the publisher forgotten books publishes hundreds of thousands of rare and classic books

find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
