## ~~2001-02-10~~

edith nesbit s stories in this volume are often overlooked in the wider context of the horror science fiction and fantasy genres but once read they are not easily forgotten a couple of the stories are perhaps a little uneven in their delivery but even so a story such as the shadow will have you looking over your shoulder as you turn the page

## *In the Dark: ( Annotated ) 2019-03-17*

nice moody horror story two best friends are bedevilled by a third friend who haunts them from grade school to adulthood he seems to intuit things he can t know and always tells the truth one friend escapes to india to get away the other stays in england when the escapee returns he finds his friend shattered and half mad why is the story by sardoweems

## In The Dark *1986*

a rainy night in london shots are fired into a car which swerves on to the pavement ploughing into a bus stop it seems that a chilling gang initiation has cost an innocent victim their life but the reality is far more sinister one life is wiped out and three more are changed forever the young man whose finger was on the trigger an ageing gangster planning a deadly revenge and the pregnant woman who struggles desperately to uncover the truth two weeks away from giving birth how will she deal with a world where death is an occupational hazard in a city where violence can be random or meticulously planned where teenage gangs clash with career criminals and where loyalty is paid for in blood anything is possible secrets are uncovered as fast as bodies and the story s final twist is as breathtakingly surprising as they come the outstanding new tom thorne thriller their little secret is out now

## In the Dark *2015-08-07*

a dark and provocative story about a young police officer in search of answers to the hidden memories that have plagued him since his return from an undercover operation and his complex yet fervent relationship with an enigmatic forensic sketch artist

## In The Dark *2008-09-04*

when emily silver hears the hoarse familiar voice in the darkness memories that go back 20 years to the night her parents were murdered come flooding into her mind then no believed the little girl who said she heard the voice of an intruder in the house now she begins a frantic search for the truth

## *In the Dark: Volume 1* *2021-07-30*

set with a war in background this is a story containing several characters who are all in the dark with their dreams secrets and fantasies electric light new to their world may be a boon but it reveals both grime and secrets

## In the Dark *1995-02*

when her dying father confesses that he is not her biological father and that he has a twin washington d c morning news anchor ellery o brien is desperate for answers plagued by a recurring nightmare in which a blood covered woman who has been stabbed repeatedly by a killer staggers down the staircase of a beautiful old house ellery travels to her late mother s hometown agarita springs texas not realizing until she arrives that she has rented the very house she sees in her dreams no one in town wants to dig up the past but rancher clint littleton begins to help ellery and white hot attraction sparks between them the nightmares however persist and each time before ellery awakes she sees an increasingly terrifying image just a little more of the killer s face new york times bestselling author elaine coffman switches gears with pulse pounding results in her first novel of heart stopping romantic suspense

## In the Dark *2008*

in the dark edith nesbit what would you do if you realized your close friend was getting mad your bosom friend you know the whole life i guess you would try to help him like i did but what if you faced with supernatural i suppose that you ll be able to help me to solve this puzzle and we will find the truth let s start from the beginning when we were studying at school with my friend there was one boy he was a sneak he always told the teachers wrong things other children did but he didn t see these bad deeds with his own eyes he just knew everything and the teachers believed him i don t know what it was was it a third eye or a sixth sense it is unknown i don t know much about these things but i believe in common sense after graduating the university i went to another country all the three of

## Kept in the Dark 2012-11-12

wow a stunning nerve wracking read so well plotted with so many twists and turns it kept me guessing until the very last page bestselling author patricia gibney i don t know what happened to my daughter only that she s missing and i was the last person to see her my name is nora logue you ve probably heard of me most people have i am the mother of daisy logue seven years ago i took her for a walk in the woods only i came out i have no memory of what happened that day i have tried to rebuild my life met a man had another child luca but i can t let go of daisy or give up hope of seeing her again and now i have the chance to find out what happened to her but what if pursuing the truth about my daughter risks my son s life a whiplash inducing unputdownable crime thriller from the author of the nurse perfect for fans of clare mackintosh and lisa jewell readers can t put down in the dark so gripping i read this brilliant book in two sittings because i just had to know what happened reader review i really enjoyed this book it keeps you gripped right from the beginning reader review a thriller that slowly ramps up the tension to a mind boggling ending reader review what a fantastic read i could not put it down reader review oh my word what a book this is one of the best thrillers i have ever read a total page turner i couldn t put this down reader review this book is gripping addictive and completely unpredictable reader review claire allan does it again i changed my mind several times and really was kept on the edge of my seat reader review what a book this book is brilliant the pace is fast moving and the plot is thrilling once you start this book you won t be able to put it down so cancel any plans you may have reader review fast paced and full of twists a fantastic read reader review this book was absolutely brilliant so many twists i really didn t see them coming reader review
