Sonia Sotomayor 2010

biography of sonia sotomayor from her childhood near yankee stadium to ivy league universities to her rise in the legal profession

Who Is Sonia Sotomayor? 2017-02-07

the truly inspiring story of the first latina supreme court justice outspoken energetic and fun sonia sotomayor has managed to turn every struggle in life into a triumph born in the bronx to immigrant parents from puerto rico sonia found out at age nine that she had diabetes a serious illness now but an even more dangerous one fifty years ago how did young sonia handle the devastating news she learned to give herself her daily insulin shots and became determined to make the most out of her life it was the popular sixties tv show perry mason that made sonia want to become a lawyer not only a lawyer but a judge her remarkable career was capped in 2009 when president barack obama nominated her to the supreme court only the third woman and first hispanic justice in the court s history stories of sotomayor s career are hardly dry legal stuff she once hopped on a motorcycle to chase down counterfeiters and was the judge whose ruling ended the major league baseball strike in 1995

The Beloved World of Sonia Sotomayor 2018-09-04

a new york times bestseller doesn t shy away from the hard truths of sotomayor s childhood and discusses real world issues like racism privilege and affirmative action the washington post discover the inspiring life of justice sonia sotomayor the first latina and third woman appointed to the united states supreme court in this middle grade adaptation of her bestselling adult memoir my beloved world includes an 8 page photo insert and a brief history of the supreme court sonia sotomayor was just a girl when she dared to dream big her dream to become a lawyer and a judge even though she d never met one of either and none lived in her neighborhood sonia did not let the hardships of her background which included growing up in the rough housing projects of new york city s south bronx dealing with juvenile diabetes coping with parents who argued and fought personal demons and worrying about money stand in her way always she believed in herself her determination along with guidance from generous mentors and the unwavering love of her extended puerto rican family propelled her ever forward eventually all of sonia s hard work led to her appointment as an associate justice of the united states supreme court in 2009 a role that she has held ever since learn about justice sotomayor s rise and her amazing work as well as about the supreme court in this fascinating memoir that shows that no matter the obstacles dreams can come true a kirkus reviews best book of 2018 people i add children who live in difficult circumstances need to know that happy endings are possible justice sonia sotomayor on why she writes books abc news

My Beloved World 2013-01-15

a searching and emotionally intimate memoir the new york times told with a candor never before undertaken by a sitting justice this powerful defense of empathy the washington post is destined to become a classic of self invention and self discovery the first hispanic and third woman appointed to the united states supreme court sonia sotomayor has become an instant american icon in this story of human triumph that hums with hope and exhilaration npr she recounts her life from a bronx housing project to the federal bench a journey that offers an inspiring testament to her own extraordinary determination and the power of believing in oneself here is the story of a precarious childhood with an alcoholic father who would die when she was nine and a devoted but overburdened mother and of the refuge a little girl took from the turmoil at home with her passionately spirited paternal grandmother but it was when she was diagnosed with juvenile diabetes that the precocious sonia recognized she must ultimately depend on herself she would learn to give herself the insulin shots she needed to survive and soon imagined a path to a different life with only television characters for her professional role models and little understanding of what was involved she determined to become a lawyer a dream that would sustain her on an unlikely course from valedictorian of her high school class to the highest honors at princeton yale law school the new york county district attorney s office private practice and appointment to the federal district court before the age of forty along the way we see how she was shaped by her invaluable mentors a failed marriage and the modern version of extended family she has created from cherished friends and their children through her still astonished eyes america s infinite possibilities are envisioned anew in this warm and honest book

Sonia Sotomayor 2012-05-03

necessary reading booklist from a new york times bestselling biographer drawing on in depth interviews with sonia sotomayor s former colleagues family friends and teachers new york times bestselling biographer antonia felix explores sotomayor s childhood the values her parents instilled in her and the events that propelled her to the highest court in the land with insight and thoughtful analysis felix paints a revealing portrait of the woman who would come to meet president obama s rigorous criteria for a supreme court justice examining how sotomayor s experiences shed light on her supreme court rulings and how she will continue to write her great american legacy

Sonia Sotomayor 2010-07-06

a biography of the first puerto rican and third woman supreme court justice describes her life career and accomplishments

Sonia Sotomayor 2010

i knew she d be trouble so quipped antonin scalia about sonia sotomayor at the supreme court s annual end of term party in 2010 it s usually the sort of event one would expect from such a grand institution with gentle parodies of the justices performed by their law clerks but this year sotomayor decided to shake it up flooding the room with salsa music and coaxing her fellow justices to dance it was little surprise in 2009 that president barack obama nominated a hispanic judge to replace the retiring justice david souter the fact that there had never been a nominee to the nation s highest court from the nation s fastest growing minority had long been apparent so the time was ripe but how did it come to be sonia sotomayor in breaking in the rise of sonia sotomayor and the politics of justice the veteran journalist joan biskupic answers that question this is the story of how two forces providentially merged the large ambitions of a talented puerto rican girl raised in the projects in the bronx and the increasing political presence of hispanics from california to texas from florida to the northeast resulting in a historical appointment and this is not just a tale about breaking barriers as a puerto rican it s about breaking barriers as a justice biskupic the author of highly praised judicial biographies of justice antonin scalia and justice sandra day o connor now pulls back the curtain on the supreme court nomination process revealing the networks sotomayor built and the skills she cultivated to go where no hispanic has gone before we see other potential candidates edged out along the way and we see how in challenging tradition and expanding our idea of a justice as well as expanding her public persona sotomayor has created tension within and without the court s marble halls as a supreme court justice sotomayor has shared her personal story to an unprecedented degree and that story of a latina who emerged from tough times in the projects not only to prevail but also to rise to the top has even become fabric for some of her most passionate comments on matters before the court but there is yet more to know about the rise of sonia sotomayor breaking in offers the larger untold story of the woman who has been called the people s justice

Breaking In 2014-10-07

supreme court justice sonia sotomayor and award winning artist rafael lopez create a kind and caring book about the differences that make each of us unique a 1 new york times bestseller winner of the schneider family book award feeling different especially as a kid can be tough but in the same way that different types of plants and flowers make a garden more beautiful and enjoyable different types of people make our world more vibrant and wonderful in just ask united states supreme court justice sonia sotomayor celebrates the different abilities kids and people of all ages have using her own experience as a child who was diagnosed with diabetes justice sotomayor writes about children with all sorts of challenges and looks at the special powers those kids have as well as the kids work together to build a community garden asking questions of each other along the way this book encourages readers to do the same when we come across someone who is different from us but we re not sure why all we have to do is just ask praise for just ask addressing topics too often ignored this picture book presents information in a direct and wonderfully child friendly way booklist starred review an affirmative delightfully diverse overview of disabilities kirkus reviews a hopeful and sunny exploration of the many things that make us unique with dynamic and vibrant illustrations that emphasize each character s unique abilities a thoughtful and empathetic story of inclusion slj

Just Ask! 2019-09-03
