buildings roads and bridges made up the city kanti knew that so did trees rivers and hills but he had never quite thought about people he was told that they too were integral parts of a metropolis if kathmandu were an organism people were its red blood cells navigating busily through road veins and street arteries city of dreams is set in the multifaceted fast changing nepali capital kathmandu and through a series of deftly woven short stories it exposes the interaction of city dwellers with this teeming schizophrenic metropolis caught in the tussle between tradition and modernity in the title story a kathmandu native wanders the streets of his hometown and encounters a deep secret in the presence of god a couple bickers about faith and ambivalence only to be confronted with an event so inexplicable that it changes the very foundations of their argument in dashain a young man s attempt to leap into adulthood goes horribly awry and in the smoker the only story set outside kathmandu in new york city a writer begins his quest to craft the perfect narrative yet even here the nepali city is a shadowy presence as kathmandu becomes the protagonist of the collection what we see emerge is not just the skeletal outline of the metropolis a cartographer s map but a capital of stories city of dreams is one of the most startling literary debuts in recent times

startlingly original and closely observed stories that capture the dynamism and diversity of nepali society in a time of great flux in tilled earth several compressed poetic and deeply evocative micro stories offer fleeting glimpses of small private dramas of people caught midlife an elderly woodworker loses his way in a modern kathmandu neighbourhood a homesick expatriate nurses a hangover a clerk at the ministry of home affairs learns to play solitaire on the computer a young man is drawn to politics against his better judgement a child steals her classmate s book the longer stories in the collection too span a wide course taking subjects from rural and urban nepal as well as from the nepali diaspora abroad in tilled earth a young woman goes to seattle as a student and finds herself becoming an illegal alien love marriage is an inner narration by a young man who defying family pressure falls in love with a woman of the wrong caste in the buddha in the earth touching posture a retired secretary visits the buddha s birthplace lumbini only to find his deepest insecurities exposed with their unexpected inventive forms these stories reveal the author s deep love of language and commitment to craft manjushree thapa pushes the styles of her stories to match the distinctiveness of their content emerging confidently as a skilled innovator and formalist

An Anthology of Short Stories of Nepal 1992

while the natural splendor of nepal has been celebrated in many books very little of the substantial body of nepali literature has appeared in english translation himalayan voices provides admirers of nepal and lovers of literature with their first glimpse of the vibrant literary scene in nepal today an introduction to the two most developed genres of modern nepali literature poetry and the short story this work profiles eleven of nepal s most distinguished poets and offers translations of more than eighty poems written from 1916 to 1986 twenty of the most interesting and best known examples of the nepali short story are translated into english for the first time by michael hutt all provide vivid descriptions of life in twentieth century nepal although the days when nepali poets were regularly jailed for their writings have passed until 1990 the strictures of various laws governing public security and partisan political activity still required writers and publishers to exercise a certain caution in spite of these conditions poetry in nepal remained the most vital and innovative genre in which sentiments and opinions on contemporary social and political issues were frequently expressed while the nepali short story adapted its present form only during the early 1930s it has rapidly developed a surprisingly high degree of sophistication these stories offer insights into the workings of nepali society into caste agrarian relations social change the status of women and so on such insights are more immediate than those offered by scholarly works and are conveyed by implication and assumption rather than analysis and exposition this book should appeal not only to admirers of nepal but

to all readers with an interest in non western literatures himalayan voices establishes for the first time the existence of a sophisticated literary tradition in nepal and the eastern himalaya
