biology marking guide queensland curriculum and assessment Jan 15 2023

biology marking guide external assessment queensland curriculum assessment authority 8 of 16 q sample response the response 28 primary succession e g after a volcanic eruption begins with a bare site that hasn't been colonised before whereas in secondary succession e g a forest after a fire the environment was

rules for biologically inspired adaptive network design science *Dec 14 2022*

drawing inspiration from biology has led to useful approaches to problem solving such as neural networks genetic algorithms and efficient search routines developed from ant colony optimization algorithms we exploited the slime mold physarum polycephalum to develop a biologically inspired model for adaptive network development
