Casualty Investigation Code

2008

new york times bestseller in the first and only inside account of the mueller investigation one of the special counsel s most trusted prosecutors breaks his silence on the team s history making search for the truth their painstaking deliberations and costly mistakes and trump s unprecedented efforts to stifle their report weissmann delivers the kind of forceful ringing indictment that mueller s report did not the new york times in may 2017 robert mueller was tapped to lead an inquiry into russian interference in the 2016 presidential election coordination by foreign agents with donald trump s campaign and obstruction of justice by the president mueller assembled a dream team of top prosecutors and for the next twenty two months the investigation was a black box and the subject of endless anticipation and speculation until april 2019 when the special counsel s report was released in where law ends legendary prosecutor andrew weissmann a key player in the special counsel s office finally pulls back the curtain to reveal exactly what went on inside the investigation including the heated debates painful

deliberations and mistakes of the team not to mention the external efforts by the president and attorney general william barr to manipulate the investigation to their political ends weissmann puts the reader in the room as mueller s team made their most consequential decisions such as whether to subpoena the president whether to conduct a full financial investigation of trump and whether to explicitly recommend obstruction charges against him weissmann also details for the first time the debilitating effects that president trump himself had on the investigation through his dangling of pardons and his constant threats to shut down the inquiry and fire mueller which left the team racing against the clock and essentially fighting with one hand tied behind their backs in where law ends weissmann conjures the camaraderie and esprit de corps of the investigative units led by the enigmatic mueller a distinguished public servant who is revealed here in a way we have never seen him before as a manager a colleague and a very human presence weissmann is as candid about the team s mistakes as he is about its successes and is committed to accurately documenting the historic investigation for future generations to assess and learn from ultimately where law ends is a story about a team of public servants dedicated to the rule of law tasked with investigating a president who did everything he could to stand in their way

Introduction to Private Investigation

1995

author angela woodhull is a private investigator with attitude in this book she tells us of her exploits ferreting out the truth for her clients and we are taken with her on some really wild excursions each case history is then analyzed to determine the strategies that made it work while we may be

entertained by her stories we are also learning successful strategies to use for ourselves whether trying to find out information that involves you or someone you know or if you are a private investigator with clients of your own book jacket

An Investigation of the Policy of Ministers

2015-12-13

anchoring himself firmly on the ever contested space of indian law and legal processes and drawing substantive support from his rich and varied experience as a law enforcement officer in the police department of tamil nadu india the author v sithannan in presenting this scholarly work has sought to fulfill the legitimate requirements of police officers advocates judicial officers social activists ngos gender activists and the general public the author's utopian ideal that no innocent person should be punished and no offender should go unpunished is the dominant message of the book for this purpose the author has given a balanced treatment of the whole problem of crime and its investigation the book contains 27 chapters and 4 annexures for example the 1st chapter deals with the origin growth and development of military and police and the succeeding chapters elaborate the structure powers and the duties of police the conduct of investigation the first information report the jurisdictional limitations of police dying declaration inquest search and seizure examination of witnesses arrest interrogation confession bail remand and custody test identification parade tender of pardon to approver letter rogatory extradition burden of proof and presumptions police diaries final report further investigation and maintenance of police records the comparative chart given to aid the police officers to conclude whether death is suicidal or homicidal or accidental in all forms of death that are encountered by the police while conducting investigation will be of immense use with scientific accuracy another chart provided indicating the procedural steps starting from the collection of evidence through the final analysis of the whole crime and its commission would surely empower the investigating officers with fool proof methods of investigation a most praise worthy feature of the book is its detailed discussion on the immature juveniles who are in conflict with law and the crimes against children and women the annexure to the book is of immense use as a ready reckoner especially annexure i and ii by which a police officer may easily find whether a particular offence in any of the most frequently used special enactment is cognizable bailable etc the author has fulfilled the needs of the investigating officers in the epilogue by providing 47 points which may go against the prosecution and therefore has given 48 tips for the successful prosecution of a criminal case by a police officer again in the spirit of an academic researcher the author has given a catalogue of 724 checklists in all the chapters so that the readers would find the book highly informative to have a statutorily authorised answer to any doubt in a given situation in any of the investigative procedures the citation of 785 landmark judgements of various high courts and the supreme court for the period 1965 2008 in the appropriate chapters is another outstanding feature of the book making it vade mecum for police officers advocates officers of law and courts and also for ngos social activists and persons of public interest

Where Law Ends

2020-09-29

nearly ten years after the first edition of water related death investigation practical methods and forensic applications water death cases continue to be improperly investigated the pathologist s report can determine the cause of death as a drowning but the manner of death is the most challenging to prove the report will not determine if a victim jumped into the water to commit suicide fell into the water accidentally or was pushed in as a homicidal act many drowning cases do not reflect injury to the body so evidence collected at the scene plays a vital role the importance of an on scene body assessment cannot be overemphasized often the body evidence begins to change rapidly upon recovery and may not be present during an autopsy written statements on the scene are an effective tool to use to determine the accuracy of information given to arriving officers these statements need to be written by the witnesses themselves as well as the reporting person the show me technique can also help reveal discrepancies in a person s version of what occurred as well as aid in providing the most details to an incident as is humanly possible this second edition includes updated information on the latest technology to assist water death investigators paragon snapshot can help determine the faceless identity of skeletal remains and help locate potential suspects using the science of dna drones can aid in locating missing persons as well as human remains even months after death updated information is provided regarding fingerprints from submerged objects and carbon 14 can help determine the origin of a found corpse key features thoroughly reviews the physiological aspects of drowning reveals the investigative characteristics inherent to various scenes of water related deaths highlights certain red flag indicators that may point to foul play or scene staging outlines autopsy protocols trial preparation and expert witness testimony provides numerous case studies and numerous illustrations to further clarify key points presented in the text coauthored by a master water death investigator and an experienced forensic pathologist water related death investigation practical methods and forensic applications second edition merges the essentials of evidence collection and field investigation with autopsy best practices and laboratory testing it will continue to serve as a valuable resource for the various professionals involved in these cases
