can someone heist the majority of the house of representatives with no one noticing that s the electoral coup that turns america upside down in the people s house until one man notices political reporter jack

sharpe is logging time at the tail end of a disappointing career jaded about politics and stung by personal hard knocks but after an odd election result in the ohio congressional district he covers sharpe stumbles across irregularities that spur him to dig deeper the story takes him far beyond his corner of ohio as he discovers an international plot one that strikes at the heart of american democracy by taking advantage of weaknesses in today s political architecture his reporting leads to a showdown with the philandering congressman and presidential contender who knew about the plan but told nobody and the eccentric but deadly russian energy baron who masterminded it all in order to save himself and the country sharpe must rekindle his old fire to navigate a treacherous journey through danger betrayal and atonement

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
