

Free epub Not only but also my life in cricket (Read Only)

not only was it raining all day at the wedding but also the band was late not only will they paint the outside of the house but also the inside when there is no auxiliary verb or main verb be we use do does did not only did she forget my birthday but she also didn't even apologise for forgetting it you can compare nouns or noun phrases with not only but also she invited not only tim but also john in the beginning of the sentence the subject and verb both precede the first part of the correlative conjunction next two proper nouns are emphasized and intensified the phrase but also is a conjunction that is commonly used in the english language to connect two contrasting ideas or concepts it serves as a bridge between two clauses or sentences indicating that both elements are true or relevant in a given context here we have a verb enjoyed after not only and a noun phrase the movie after but also we ate not only the biscuits but also devoured half the donuts this example is also incorrect because not only is followed by a noun phrase while but also is followed by a verb in such cases we do not use but also as such instead we slightly change it so that the second part also contains a subject that is relevant as in these examples not only did my friend joe help me out but he also drove me to the university not only does my pet dog bite me but he also barks at me understanding how to use not only but also can enhance the way we structure our sentences providing emphasis and adding a sophisticated touch to our writing this correlative conjunction pairs two items or ideas suggesting that both have equal importance or relevance grammatically when using not only but also in a sentence parallelism should be the goal it means that the words following both parts of this correlative conjunction i.e. not only and but also should belong to the same parts of speech for example if a verb follows not only then a verb should also follow but also rule 1 avoid using a comma if the correlative conjunction not only but also connects to a noun how to connect not only but also with a clause not only will i paint sharks on my wall but i will also paint dolphins and jellyfish this example has a comma placed after not only and in front of but today i'm going to teach you how to form sentences with the construction not only but also first of all when do we use not only but also well we use it when we have two things and we want to give a little extra emphasis to the second thing because it's even better or even worse or more surprising or more impressive or more march 28 2024 do you ever find yourself pausing mid sentence unsure if a comma is your friend or foe it happens to the best of us especially when we're trying to juggle multiple ideas in one go the not only but also rule is a classic head scratcher but don't worry it's not as complicated as it might seem at first glance not only but also is a correlative conjunction pair that connects parallel phrases or clauses in your sentences and yes there's definitely a right way and wrong way to use commas with it in today's post i'll share my insights on the not only but also comma rule providing full explanations and over 10 examples what does the phrase not only mean not only is used with but also to add emphasis when writing about two related things an example is he is not only tall but also strong this means he not only but also is a two part expression that's used to create emphasis convey unexpected information or add balance to a sentence see exactly how to use this phrase effectively with tips for parallelism and plenty of examples not only but also is a correlative conjunction it conveys related pieces of information april 20 2019 correlative conjunctions in english learn not only but also neither nor whether or rather or no sooner than just as so both and with examples and esl printable infographic a conjunction is a word which connects two words or clauses or sentences and shows the relation between them by mark nichol few constructions cause as much consternation for editors as that in which a contrast is represented with the phrase bracketed by the correlative conjunctions not only and but also the solution to garbled syntax in such constructions is simple but bears repeating so multiple sample sentences follow 1 use it in the middle and end of the sentence s v not only adjective but also adjective for example he is not only arrogant but also selfish tom is not only rich but also famous she was not only extremely intelligent but also very practical s v not only adv but also adv for example not only but also is a conjunction used to emphasize two related ideas or actions it is used to convey that both the first idea action and the second idea action are true or applicable the phrase adds emphasis and strengthens the connection between the two elements it is grammatically correct to use a comma before and and other coordinating conjunctions such as but or nor only when it splits two independent clauses i.e. if you remove the and you will be left with two complete sentences or if you're using it as an oxford comma 1 not only but also is a standard phrase but you can also use its elements individually or in other combinations in sentences in particular not only doesn't require but also sometimes the more common form looks more correct simply because it's familiar but other forms are equally grammatical stuart f mar 4 2021 at 12:19 1 as an illustration of as an instance as examples as exemplary as for example as for instance as in the example as in the present case as proof besides that join pro for more terms alternatively another way to say but also synonyms for but also other words and phrases for but also
