the all american muscle car provides the ultimate hands on history of the american muscle car and where it is now mustangs camaros cudas challengers you name it when john z delorean and his cadre of enthusiastic rule benders took it upon themselves to bolt pontiac s hottest engine into a mid sized tempest disobeying orders from the top of general motors food chain they created something that should not have been and will never be again the muscle car the resulting gto spearheaded a new breed of performance car aimed at a new breed of buyer the baby boom generation tens of millions of young customers entering the market each year the all american muscle car the rise fall and resurrection of detroit s greatest performance cars tells the story of these brutal performance machines through the words of muscle car icons like jim wangers the man who marketed delorean s thuggish invention joe oldham a legendary automotive journalist who tested these cars when they first came off the production line often via illegal street racing and classic car broker colin comer who has been instrumental in restoring some of the most iconic and valuable muscle cars top muscle car experts like randy leffingwell and david newhardt tell other facets of the muscle car story like the pony car wars between the mustang camaro cuda and challenger the ultra high performance dealer specials and the rebirth of the modern muscle car all told this book provides the ultimate hands on history of these most american of cars

The All-American Muscle Car

1985

in 1893 indianapolis carriage maker charles black created a rudimentary car perhaps the first designed and built in america within 15 years indianapolis was a major automobile industry center rivaling detroit and known for quality manufacturing and innovation the aluminum engine disc brakes aerodynamics superchargers and the rear view mirror were first developed there when the indianapolis motor speedway opened in 1909 hometown manufacturers marmon stutz

and duesenberg dominated the track the author covers their histories along with less well known contributors to the industry including national american premier marion cole empire lafayette knight lyons and hassler
