find out how to drive a manual check out our guide on how to drive an automatic car in this book every year more than 15 lakh lives are lost in india due to road accidents according to the ministry of road transport and highways 80 of the accidents are due to driver error the driver error rate is so high in india because most drivers do not know even the basic road rules heavy vehicle drivers have additional responsibility toward safety as they drive larger vehicles and carry valuable cargo this book can impart critical driver education on road rules to heavy vehicle drivers thereby reducing accidents and vehicle downtime this book is intended for drivers of lorries trucks buses tankers medium size trucks etc this book is also available in other languages the aa has an excellent track record with driving test titles and is the biggest seller of books in the genre after the driving standards agency written by an experienced aa instructor the book includes all the information needed to improve driving skills and basic manoeuvres the guide is designed to stand alone or be used alongside the aa s supervising a learner driver the clear and concise layout makes it easy to revise with clear instructions and easy to navigate sections easy to follow fully illustrated a must for all learner drivers kerry o sullivan s simple manual written from twenty years of on the job experience is a commonsense practical guide for anyone who wants to learn to drive and for those who want to teach them the key to getting a driving licence and then to being a good driver lies not only in knowing the rules and being able to control a car it is just as important to learn how to recognise and avoid dangerous situations before they turn into scare experiences by following the lessons in this book learner drivers will be able to approach the driving test with confidence as licensed drivers they will have the skills that make driving pleasurable as well as safe an essential guide to safe and responsible four wheel driving modern four wheel drive vehicles are powerful and sophisticated machines able to travel almost anywhere given their growing popularity with recreational drivers there is an even more pressing need for adequate training even on sealed roads these vehicles require a different set of driving skills off road the demands are many times greater this second edition of the bestselling 4wd driving skills complements nationally recognised training courses and has been fully revised to include updated vehicle terminology technology and recovery techniques it explains the essential skills of four wheel driving for every type of on and off road terrain how to approach challenging situations and what to do if things go wrong it is a valuable reference for all four wheel drive enthusiasts this book has been prepared primarily to help you follow a structured series of driving lessons in preparation for your driving test it allows you to have the knowledge and helps you to remember the key points from every topics and understand the requirements from the driving standards agency who conduct all driving tests and have your future on the road in their hands in it s various sections it includes the following 1 eleven complete and fully illustrated lesson plans covering all the elements which are assessed during your practical driving test 2 few questions on the section to establish your knowledge 3 knowledge section to re establish your knowledge 4 detailed colour illustrations for each areas of focuses 5 a guide to the most commonly driving faults committed by learners allowing you to self assess yourself and being aware of your faults this book has been designed to in a logical order with a view to take you through from novice to test standard and beyond this book is designed to help you understand what is expected from a learner driver it will allow you to learn quicker you will need fewer lessons and it will save you money you only fail when you stop trying does the clutch and gear lever confuse you this book written by a retired top grade instructor with over 50 years experience explains the clutch and gears in detail and will solve all your problems and all for less than half the price of a single driving lesson new 2020 edition items covered in detail are how the clutch works with diagrams and how to use it correctly moving off stopping and clutch control on all gradients the gears explained in detail with diagrams when why and how to change gear in all circumstances changing from 2nd 1st uphill to gain clutch control at junctions etc plus much much more updated and redesigned for 2015 this is the industry standard driving manual it is focussed on you the driver and explains how to get the most enjoyment from your driving with the correct attitude behaviour and skills the official dsa guide to driving the essential skills together with the official highway code and know your traffic signs provides the source material for learner car driver and driving instructor theory tests being referenced throughout with the latest official dsa theory test titles for car drivers the texas department of public safety driver license division is committed to creating a faster easier and friendlier driver license experience and a safer texas one step toward achieving these important goals is to continuously improve the texas driver handbook by providing you with accurate information on traffic laws clear images of road signs examples of common driving situations and general safety tips we have also included special tips to emphasize important information you need to know although the texas driver handbook has been revised its primary purpose remains the same 1 to help you qualify for a texas driver license and 2 to help you become a safer driver the information contained in this handbook is not an official legal reference to texas traffic laws the information provided is only intended to explain applicable federal and state laws you need to understand in order to successfully operate a motor vehicle in texas if you would like to know the actual language of any traffic or criminal laws referenced in this handbook please refer to the texas transportation code and texas penal code table of contents chapter 1 your license to drive chapter 2 vehicle inspection and registration chapter 3 safety responsibility chapter 4 right of way chapter 5 signals signs and markers chapter 6 signaling passing and turning chapter 7 parking stopping or standing chapter 8 speed and speed limits chapter 9 some special driving situations chapter 10 alcohol and drug impact on the driving ability chapter 11 motor vehicle crashes chapter 12 pedestrian safety chapter 13 bicycle laws and safety chapter 14 additional safety tips appendix a glossary of terms appendix b driver license offices appendix c appendix d fees this learner drivers handbook has been prepared to help learners pass their dvsa driving test first time the author is a great believer in the maxim what you hear you will forget what you see you will remember and what you do you will learn it uses detailed colour images to follow closely the requirements for learning to drive as laid down by the driving vehicle standards agency in its various sections it includes the following 1 twelve complete and fully colour illustrated lesson plans covering all the elements which can be tested 2 how to get the best out of the lesson plans to ensure success in your driving test 3 over 150 fully detailed colour illustrations each of which focuses on a relevant issue and designed for ease of presentation 4 a lesson plan guide with a breakdown of all the diagrams included in each lesson plan the lesson plans have been set out in a general logical order with a view to going from novice to test standard and beyond however the order in which the plans are presented and the subject matter should be adapted to meet specific needs like any instructional manual of this type the users should thoroughly familiarise themselves with its content and general layout in order to gain maximum benefit at the back of this book you will see other publications by this author one of which is entitled easy lessons for learner drivers the content is exactly the same but it is a larger sized edition which some pupils might prefer for home study many driving instructors have their own version of this book thus ensuring that you are both following the same structured lessons driving can be exciting fun or adventurous depending on the way you see it but as a beginner if you must be allowed to drive on the road you must obtain the right to do so and this means you must pass your driving written exams passing your practical test is one step besides there are other things new drivers
