The Cheyenne and Arapaho Ordeal 1976

this book recounts the reservation period of the cheyennes and the arapahoes in western oklahoma and the following fifteen years it is an investigation and an indictment of the assimilation and reservation policies thrust upon them in the latter half of the nineteenth century policies that succeeded only in doing enormous damage to sturdy vital people confined to a reservation in the indian territory in 1875 the southern cheyennes and their neighbors the arapahoes traditionally hunting and mobile societies were forced into the federal government s image of educated christian farmer citizens lacking the support of adequate appropriations or protective legislation the cheyennes lives were dominated by hunger disease and despair continuing niggardliness on the part of congress in providing adequate agricultural equipment and instruction and an environment hostile to cultivation made agricultural self sufficiency all but impossible the continued reduction of their land base through allotments under the 1887 dawes act and later leasing and sale of land to whites further eroded the indians meager sources of income and security an educational policy that left cheyenne children without hope of jobs the banning of traditional religious ceremonies the prejudice of white citizens and institutions and the undermining of the roles of head men and medicine men led to further despair but as the author demonstrates despite these crushing burdens and in the face of the slow and inevitable changes in the society the southern cheyennes retained their identity a testimony to their courage and character this well documented compassionate account of the ordeal of the two tribes serves as a classic example of what happened to america s indians at the hands of the whites

Report 1905

loretta fowler offers a new perspective on native american politics by examining how power on multiple levels infuses the everyday lives and consciousness of the cheyenne and arapaho peoples of oklahoma cheyennes and arapahos today energetically pursue a variety of commercial enterprises including gaming and developing retail businesses and they operate a multitude of social programs such revitalization and economic mobilization however have not unambiguously produced greater tribal sovereignty

tribal members challenge and often work vigorously to undermine their tribal government's efforts to strengthen the tribe as an independent political economic and cultural entity at the same time political consensus and tribal unity are continually recognized and promoted in powwows and dances why is there conflict in one sphere of cheyenne arapaho politics and cooperation in the other the key to the dynamics of current community life fowler contends is found in the complicated relationship between the colonizer and the colonized that emerges in fourth world or postcolonial settings for over a century the lives of cheyennes and arapahos have been affected simultaneously by forces of resistance and domination these circumstances are reflected in their constructions of history cheyennes and arapahos accommodate an ideology that buttresses social forms of domination and helps mold experiences and perceptions they also selectively recognize and resist such domination drawing upon a decade of fieldwork and archival research tribal sovereignty and the historical imagination provides an insightful and provocative analysis of how cheyenne and arapaho constructions of history influence tribal politics today

Tribal Sovereignty and the Historical Imagination 2002-01-01

these essays explore the blending of structural and historical approaches to american indian anthropology that characterizes the perspective developed by the late fred egan and his students at the university of chicago they include studies of kinship and social organization politics religion law ethnicity and art many reflect egan's method of controlled comparison a tool for reconstructing social and cultural change over time together these essays make substantial descriptive contributions to american indian anthropology presenting contemporary interpretations of diverse groups from the hudson bay inuit in the north to the highland maya of chiapas in the south the collection will serve as an introduction to native american social and cultural anthropology for readers interested in the dynamics of indian social life

Annual Report of the Bureau of Labor and Industrial Statistics 1905

in 1870 a twenty six year old paiute sarah winnemucca wrote to an army officer requesting that paiutes be given a chance to settle and farm their ancestral land the eloquence of her letter was such that it made its way into harper's weekly ten years later as her people languished in confinement as a result of the bannock war she convinced secretary of the interior carl schurz to grant the requests in her letter and free the paiutes as well schurz's decision unleashed furious opposition from the bureau of indian affairs cattlemen and settlers a campaign of disinformation by government officials followed sweeping truth aside and

falsely branding paiute chief egan as instigator and leader of the indian forces the campaign succeeded in its mission to overturn schurz s decision to this day histories of the war appear to be unanimous in their mistaken claim that egan led his paiutes into war indian agents betrayal of the people they were paid to protect saddled paiutes with responsibility for a war that most opposed and that led to u s misappropriation of their land their only source of life s necessities with neither land nor reservation paiutes were driven more deeply into poverty and disease than any other natives of that era david h wilson jr pulls back the curtain to reveal what government officials hid exposing the full jarring injustice and after 140 years recounting the paiutes true and proud history for the first time

The Pacific Reporter 1895

people of the wind river the first book length history of the eastern shoshones tells the tribe s story through eight tumultuous decades from 1825 when they reached mutual accommodation with the first permanent white settlers in wind river country to 1900 when the death of chief washakie marked a final break with their traditional lives as nineteenth century plains indians henry e stamm iv draws on extensive research in primary documents including indian agency records letters newspapers church archives and tax accounts and on interviews with descendants of early shoshone leaders he describes the creation of the eastern political division of the tribe and its migration from the great basin to the high plains of present day wyoming the gift of the sun dance and its place in shoshone life and the coming of the arapahoes without losing the shoshone perspective stamm also considers the development and implementation of the federal peace policy generally friendly to whites the shoshones accepted the arrival of mormons miners trappers traders and settlers and tried for years to maintain a buffalo hunting culture while living on the wind river reservation stamm shows how the tribe endured poor reservation management and describes whites attempts to civilize them after 1885 with the buffalo gone and cattle herds growing the eastern shoshone struggled with starvation disease and governmental neglect entering the twentieth century with only a shadow of the economic power they once possessed but still secure in their spiritual traditions

Northern Paiutes of the Malheur 2022-05

in the pension fund revolution originally published nearly two decades ago under the title the unseen revolution drucker reports that institutional investors especially pension funds have become the controlling owners of america s large companies the country s only capitalists he maintains that the shift began in 1952 with the establishment of the first modern pension fund by general motors by 1960 it had become so obvious that a group of young men decided to found a stock exchange firm catering exclusively to these new investors ten years later this firm donaldson lufkin jenrette became the most successful and one of the biggest wall street firms drucker s argument that through pension funds ownership of the means of production had become socialized without becoming nationalized was unacceptable to the conventional wisdom of the country in the 1970s even less acceptable was the second theme of the book the aging of america among the predictions made by drucker in the pension fund revolution are that a major health care issue would be longevity that pensions and social security would be central to american economy and society that the retirement age would have to be extended and that altogether american politics would increasingly be dominated by middle class issues and the values of elderly people while readers of the original edition found these

conclusions hard to accept drucker s work has proven to be prescient in the new epilogue drucker discusses how the increasing dominance of pension funds represents one of the most startling power shifts in economic history and he examines their present day impact the pension fund revolution is now considered a classic text regarding the effects of pension fund ownership on the governance of the american corporation and on the structure of the american economy altogether the reissuing of this book is more timely now than ever it provides a wealth of information for sociologists economists and political theorists

2023 oregon book award finalist in 1870 a twenty six year old paiute sarah winnemucca wrote to an army officer requesting that paiutes be given a chance to settle and farm their ancestral land the eloquence of her letter was such that it made its way into harper s weekly ten years later as her people languished in confinement as a result of the bannock war she convinced secretary of the interior carl schurz to grant the requests in her letter and free the paiutes as well schurz s decision unleashed furious opposition from the bureau of indian affairs cattlemen and settlers a campaign of disinformation by government officials followed sweeping truth aside and falsely branding paiute chief egan as instigator and leader of the indian forces the campaign succeeded in its mission to overturn schurz s decision to this day histories of the war appear to be unanimous in their mistaken claim that egan led his paiutes into war indian agents betrayal of the people they were paid to protect saddled paiutes with responsibility for a war that most opposed and that led to u s misappropriation of their land their only source of life s necessities with neither land nor reservation paiutes were driven more deeply into poverty and disease than any other natives of that era david h wilson jr pulls back the curtain to reveal what government officials hid exposing the full jarring injustice

and after 140 years recounting the paiutes true and proud history for the first time

Living with Strangers 1989

fort belknap reservation in montana is home to both the gros ventre and assiniboine indian tribes the two thousand inhabitants of the reservation recognize an array of symbols political ritual and sacred which have meaning and emotional impact for all yet there is sharp disagreement between the two tribes and among the various age groups about the interpretation of these symbols anthropologist loretta fowler here examines the history and culture of the gros ventres over two centuries seeking to discover why the residents of fort belknap ascribe different and often opposing meanings to their shared cultural symbols and how these differences have influenced gros ventre identity

Engineering Electromagnetics 2022-05

between 1864 and 1877 during the height of the plains indian wars pawnee indian scouts rendered invaluable service to the united states army they led missions deep into contested territory tracked resisting bands spearheaded attacks against enemy camps and on more than one occasion saved american troops from disaster on the field of battle in war party in blue mark van de logt tells the story of the pawnee scouts from their perspective detailing the battles in which they served and recounting hitherto neglected episodes employing military records archival sources and contemporary interviews with current pawnee tribal members some of them descendants of the scouts van de logt presents the pawnee scouts as central players in some of the army s most notable campaigns he argues that military service allowed the pawnees to fight their tribal enemies with weapons furnished by the united states as well as to resist pressures from the federal government to assimilate them into white society according to the author it was the tribe s martial traditions deeply embedded in their culture that made them successful and allowed them to retain these time honored traditions the pawnee style of warfare based on stealth and surprise was so effective that the scouts

commanding officers did little to discourage their methods although the scouts proudly wore the blue uniform of the u s cavalry they never ceased to be pawnees the pawnee battalion was truly a war party in blue

rising from the ashes explores continuing native american political social and cultural survival and resilience with a focus on the life of numiipuu nez perce anthropologist archie m phinney he lived through tumultuous times as the bureau of indian affairs implemented the indian reorganization act and he built a successful career as an indigenous nationalist promoting strong independent american indian nations rising from the ashes analyzes concepts of indigenous nationalism and notions of american indian citizenship before and after tribes found themselves within the boundaries of the united states collaborators provide significant contributions to studies of numiipuu memory land loss and language numiipuu palus and cayuse survival peoplehood and spirituality during nineteenth century u s expansion and federal incarceration phinney and his dedication to education indigenous rights responsibilities and sovereign native nations american indian citizenship before u s domination and now the jicarilla apaches self actuated corporate model and native nation building among the numiipuu and other pacific northwestern tribal nations anchoring the collection is a twenty first century analysis of american indian decolonization sovereignty and tribal responsibilities and responses

Shared Symbols, Contested Meanings 1997-01-15

following the nez perce war of 1877 federal representatives promised the nimiipuu who surrendered with chief joseph repatriation to their pacific northwest homes instead they were driven into exile this book tells the story of the nimiipuu captivity and deportation and offers an in depth analysis of the resistant nez perce cayuse and palus bands during their incarceration focusing on the tribes eight years in exile j diane pearson describes their arduous forced journey from montana to the ponca agency in indian territory she depicts their everyday experiences in a captivity marked by grueling poverty and disease to weave a compelling story of tragedy and heroism the resistance of the survivors is a never before told story reconstructed through new sources and oral histories pearson tells how the nimiipuu advocated for their aboriginal and civil rights and for the return to their wallowa valley homelands and she describes how they turned their prison odyssey into a time of renewal learning to adapt to federal strategies in order to force authorities to heed their voices and finally negotiating their release in 1885 impeccably researched with insights into the prisoners daily lives the nez perces in the indian territory is the only comprehensive record of this phase of nez perce history

Cultivating the Rosebuds 1925

indian trader rancher harbor developer oil impresario these are the many worlds of one of the least chronicled but most fascinating characters of the american west in the early bustling years of the frontier a brazen young man named william mcdole lee moved from wisconsin to kansas and then to texas to forge a life for himself becoming a driving entrepreneurial force in

texas s development lee soon garnered the alliances and resources necessary to shape the financial destinies of disparate groups throughout the state his story is expertly told in donald f schofield s indians cattle ships and oil beginning in 1869 as a trader to the southern cheyenne and arapaho tribes and fort provisioner to troops garrisoned at camp supply indian territory lee gained a partner and amassed a fortune in short order from trading buffalo hides and robes vast herds of buffalo grazing on the southern plains were killed largely on his order when buffalo were no longer a profitable commodity lee tackled his next challenge the cattle trade he began with herds branded lr that grazed on pastures near fort supply then came his le herd in the texas panhandle another partnership with noted cattle rancher lucien scott resulted in the vast ls ranch one of the most successful operations of its day lee even introduced a new breed of cattle the aberdeen angus to the western range but as his partnership faded lee moved on to his next undertaking the development of texas first deep water harbor in 1888 lee and other financiers put up one million dollars to finance a dream opening international trade from the waters of the gulf of mexico to the mainland at the mouth of the brazos river their brazos river channel and dock company was to construct own and operate a deep water harbor at velasco with a railroad link to houston though threats of financial disaster loomed large the velasco facility was to welcome in its day tugs barges and three masted schooners and to provide impetus for houston s boom yet with success the mercurial lee turned to yet another challenge oil starting still another partnership lee committed himself to prospecting for oil on the west columbia ridge in brazoria county lee and crew struck oil in 1907 developing one of the first producing wells of brazoria county but inadequate drilling equipment hampered further fruitful exploration lee moved his rigs to the famed spindletop where he perfected the technique of shallow drilling though spectacular success in the oil business eluded him lee s accomplishments set him squarely among the great entrepreneurs of the texas oil industry lee s exploits led him to roles in some of the most dramatic moments in texas and the west indian uprisings buffalo hunts political scandals cowboy strikes and shoot outs railroad promotions oil well blow outs and gushers the people he encountered are the famous and infamous of western history cheyenne chief little robe and the outlaw hurricane bill martin indian agent john d miles and major general john pope outlaws tom harris and william bonney and sheriff pat garrett altogether lee s biography vividly shows one man s manipulation of people and events during the settlement of the american frontier

Annual Report of the Commissioner of Patents 2012-11-08

drawing extensively on firsthand accounts of individuals on both sides of the conflict dr hoopoes vividly describes the many aspects of the confrontations in the american west from the mid 1860s to the early 1880s dust jacket
